DEATH AT A FUNERAL

by

Dean Craig

SHOOTING SCRIPT
23rd March 2006
EXT. FRONT PORCH OF HOUSE - DAY

MCU of DANIEL, thirties, dressed in a black suit and black tie. An attractive man but looking worse for wear with grief. He looks straight ahead with a somber expression as O.C. we hear the sounds of car doors opening and closing, footsteps on gravel, car doors being unlatched and opened.

CAMERA CUTS to over Daniel's shoulder onto FOUR UNDERTAKERS a few feet in front of him pulling a COFFIN out of a hearse.

We are still BEHIND DANIEL as we see him turn and indicate the front entrance behind him.

DANIEL
Just through there. Straight ahead, then to the left.

The four men cross camera left to right carrying the coffin past Daniel and into the house. Daniel turns into his own MCU and stands there looking past camera at the coffin moving away from him.

INT. LIVING ROOM - DAY

The living room has been prepared for the funeral service, with several rows of chairs laid out.

The four undertakers enter and lay the coffin on a raised platform. Daniel has followed them into the room.

UNDERTAKER 1
Would you like to, er...

Daniel nods his assent, and the undertaker begins to open the coffin for Daniel to take a look.

There's a dramatic moment as Daniel moves to the coffin and braces himself for what he's about to see.

The coffin opens and Daniel stares long and hard at the body before finally speaking.

DANIEL
Er... Who's this?

UNDERTAKER
Pardon me?
CONTINUED:

DANIEL
That's... not my father.

The undertaker peers into the coffin.

UNDERTAKER 1
Oh shit, we've taken the wrong one.

The other undertakers look dreadfully embarrassed. They close the coffin and lift it off the platform.

UNDERTAKER 1(CONT'D)
Really sorry about that, sir. We'll go back and get him.

The undertakers pick up the coffin and shuffle out awkwardly. Daniel stares after them, absolutely incredulous.

DANIEL
(to himself)
Jesus...

EXT. LARGE HOUSE - DAY-EXTREME WIDE SHOT.

MUSIC

The undertakers emerge from the front door and put the COFFIN back in the hearse.

They close the doors and, get in the car, start the engine, and, with the caterers looking on, spray gravel as they take off a bit too fast for a hearse.

TITLE CARD: DEATH AT A FUNERAL

INT. BEDROOM - DAY

MUSIC ENDS somewhere in the beginning of this scene.

Daniel enters the bedroom. His wife, JANE, also thirties, attractive in a homey way is busy getting herself dressed in a black outfit. Daniel stands looking dumbfounded.

DANIEL
They brought the wrong coffin. Can you believe that?

JANE
You're joking.

(CONTINUED)
DANIEL
It's a good job I checked otherwise we'd have been having a service for some random member of the public... I mean what kind of Mickey Mouse business are these people running!

JANE
It's OK.

DANIEL
There's just so much to worry about, you know? I mean Mum's in a state, Robert's clearly not gonna do anything to help, assuming he gets here at all! Plus this eulogy is just awful.

JANE
Oh come on Daniel. I'm sure it's not awful.

DANIEL
Yes it is... They're all gonna be thinking "why isn't Robert doing the eulogy? He's such a great writer"... Maybe I should just let him do it.

JANE
Why should he? He hasn't even been in the country. Besides, you're every bit as good a writer as your brother, if not better.

DANIEL
Yeah, a great writer who hasn't finished a single piece of work.

JANE
It is finished. You just need to let someone read it.

JANE (CONT'D)
Things'll be OK Daniel. We'll get the funeral over with, then we can focus on moving out and starting our lives properly.

Daniel looks a little awkward, and gets up and heads to the connecting bathroom.

JANE (CONT'D)
You did call them didn't you?
Silence from Daniel in the next room.

JANE (CONT'D)
Daniel?... You did put the down payment on the house-

DANIEL (O.C.)
Oh, what do you want me to do? I've had everything going on.

JANE
I understand that Daniel. But if you don't put down the deposit, we'll end up losing it.

DANIEL (O.C.)
I know. I'll sort it out I promise.

Jane looks frustrated.

EXT. MOTOR WAY - DAY - WIDE SHOT.
CAR traveling up motorway.

INT. HOWARD'S CAR - MOVING - DAY

HOWARD, short, stout and somewhat unfortunate looking with the appearance of someone who carries the worries of the world on his shoulders, is driving.

His friend, JUSTIN, by contrast tall, good looking, with a laid back, carefree demeanour rides in the passenger seat.

Both are around thirty years old and wearing funeral attire, although Howard's neurotic, bespectacled appearance contrasts with Justin's long-haired, wealthy musician look.

HOWARD
I hate funerals, don't you?

No response.

HOWARD (CONT'D)
So depressing... Death and everything... don't you think?... Justin?

Still no response.

HOWARD (CONT'D)
Justin?
JUSTIN
They're alright.

HOWARD
Alright? How can you possibly think they're "alright"?
(beat)
I don't know why you're even coming to the funeral. Did you even meet Daniel's father?

JUSTIN
No.

Justin lights a cigarette.

HOWARD
Can you at least open the window if you're gonna smoke.

Justin opens the window very slightly.

HOWARD (CONT'D)
I'd rather not get your cancer thanks, I've got enough problems of my own to deal with.

JUSTIN
(dubious)
Yeah? What problems?

HOWARD
I told you... About the discolouration on my hand?

JUSTIN
Oh that...

HOWARD
Look at it.

Howard pulls up his sleeve and makes Justin look at his wrist, but he doesn't take a great deal of interest.

HOWARD (CONT'D)
It's fucked!... I'm fucked!

Howard continues to drive. Justin carries on smoking.

HOWARD (CONT'D)
Why are you coming anyway? It's not because of Martha is it?
Justin's silence speaks volumes.

HOWARD (CONT'D)
(disapprovingly)
Oh, Justin-

EXT. LONDON. DAY.

WIDE SHOT of car driving in London.

INT. MARTHA'S CAR - MOVING - DAY

MARTHA and SIMON, also around thirty, are driving along wearing funeral attire. Martha is very attractive but with a feisty quality. Simon is a little anxious looking. He keeps his eyes firmly on the road as he drives along.

MARTHA
How are you feeling?

SIMON
Not too bad thanks Martha... A bit nervous...

MARTHA
About seeing my Dad?

SIMON
I just don't think I've ever been quite so openly hated by anyone before.

MARTHA
Oh, he just hates everyone, you mustn't take it to heart... You need to relax with him, you act so nervous when he's around.

SIMON
I can't help it. He puts me on edge.

MARTHA
Well, he's gonna be more concerned that his sister's husband has just died anyway. He won't be focused on you.

SIMON
You know I'm really not sure I made the right choice by coming.
MARTHA
Well, if it makes you feel any better you didn't have a choice. You're engaged now. You have to do things like this. Anyway, I'm sure when my Dad hears we're getting married, then he'll start to learn to accept you.

SIMON
You sure about that? I don't really see Victor as the accepting type.

MARTHA
He'll come round... don't worry so much.

Martha takes his hand. They exchange a look and Simon takes his eyes off the road for just a brief moment. Suddenly there's a loud, sustained BEEP!!! Simon screeches to a halt. They come to a stop just avoiding another car. Everyone's OK.

DRIVER
Oi, you fucking idiot, why don't you watch where you're going?

MARTHA
We're on our way to a funeral, you wanker! Don't you have any respect?

Martha looks at Simon who's almost shaking with fear.

MARTHA (CONT'D)
Are you alright?

Simon is hyperventilating.

MARTHA (CONT'D)
OK. Calm down. Deep breaths.

Martha strokes his arm to try and make him feel better.

INT. BEDROOM - DAY
Jane is putting her shoes on.

DANIEL
I'm gonna go down... Hopefully they've managed to bring the right coffin this time.

(CONTINUED)
CONTINUED:

JANE
OK. And you'd better check on the seating. Make sure there's enough room for Uncle Alfie.

DANIEL
Oh shit.

Daniel walks over and picks up the phone.

JANE
Oh Daniel, you didn't forget about Uncle Alfie. He'll be sitting in the street.

INT. HOWARD'S CAR - MOVING - DAY

Howard and Justin are still driving on motorway. Howard's still taking cursory glances at the discolouration on his arm.

JUSTIN
How did he die anyway? Daniel's Dad?

HOWARD
He choked on an orange peel. Can you believe that?

Justin looks at Howard strangely.

JUSTIN
Are you taking the piss?

HOWARD
No. Why?

JUSTIN
There are certain indulgent practices involving oranges. Don't you know that?

HOWARD
What practices?

The Mobile phone rings. Howard has to lean right over to get the phone from the glove compartment. Justin does nothing to help. Howard puts it to his ear.

HOWARD (CONT'D)
Hello?... Yes mate. How are you doing? Right... No of course not, it's absolutely fine. Not a problem at all.

(MORE)
CONTINUED:

HOWARD (CONT'D)
I'm more than happy to... OK. See you soon. Absolutely. Bye.

Howard puts the phone down angrily.

HOWARD (CONT'D)
Shit!

JUSTIN
What's the matter?

HOWARD
Get the A-Z out. We have to go and pick up Daniel's Uncle Alfie.

JUSTIN
Why do we have to?

HOWARD
What do you want me to do? You don't argue with someone whose father's just died... They ask you to do something, you do it. It's like they have an automatic pass... a "death pass".

EXT. WIDE SHOT OF MOTORWAY - DAY

We see Howard's car exiting off the motorway.

INT. LIVING ROOM - DAY

The undertakers are placing the coffin on the stand. Daniel approaches.

The undertaker nervously lifts the lid and Daniel looks inside.

UNDERTAKER 1
(respectful)
So is this er.. your father, sir?

A beat.

DANIEL
(solemn)
Yes it is...

The undertaker gently closes the lid and all four undertakers quietly head off.

Daniel looks up and sees that his mother, SANDRA (65), is walking over towards the coffin.

(CONTINUED)
Sandra is clearly drained and tired, but with enough grace to have made herself look respectable. She's staring vacantly at the coffin. Daniel put his arm round her shoulder. The atmosphere is solemn.

DANIEL (CONT'D)
Are you alright mum?

SANDRA
I just don't know what I'm going to do without him... What have I got to live for now?

DANIEL
Don't be silly. You've got your family, your friends.

Daniel sees Jane enter the living room.

DANIEL (CONT'D)
Me and Jane... and Robert.

SANDRA
Where is Robert? Have you heard from him?

DANIEL
His plane was due to land at 10...
Don't worry I'm sure he'll be here.

Jane arrives next to them. She puts her hand on the coffin.

JANE
Hi Sandra. How are you feeling?

SANDRA
Don't put your hand there dear, you'll leave smudge marks.

Jane removes her hand and throws Daniel a glance.

EXT. LONDON - TROY'S APARTMENT - DAY
The exterior of a student apartment. Martha and Simon are walking up the stairs to the front door.

INT. TROY'S APARTMENT - SAME
Troy, twenties, scruffy but in a youthful, cool way, is half dressed in his funeral outfit. He's leaning over a table, holding a pair of tweezers, sorting through some pills and putting them on a piece of paper. A joint smokes in the ashtray.

(CONTINUED)
Troy holds a cordless phone to his ear, talking as he's sorting the pills.

TROY
I'll get them to you this evening...
No can do this afternoon. I've got a funeral... Yeah, my uncle died...
Yeah, tragic... I'm telling you mate this is really powerful stuff, you should really only take half... Trust me, they are going to blow your fucking head off...

The door bell rings.

TROY (CONT'D)
I've gotta go, my sister's here...
I'll take them with me and drop by after the funeral, OK? Catch you later. Bye.

He looks around the desk for an appropriate bottle from the many available, and finds one with a label that says:

"VALIUM"

He pours out the remaining pills into a nearby bin, takes the piece of paper with the pills on and pours them into the Valium bottle.

EXT. LONDON - TROY'S APARTMENT - SAME

Martha rings the front door bell again. She looks at Simon who's still looking a little pale.

MARTHA
How are you feeling?

SIMON
A bit shaky.

After a moment, Troy opens the door, not wearing any trousers.

TROY
Hey, how's it going?

MARTHA
You're not ready? Come on Troy. We're gonna be late.

TROY
I'll be two minutes.
Martha and Simon follow Troy into the flat.

TROY (O.S.) (CONT'D)
You guys OK?

MARTHA
Yeah. Simon's a bit shaken up.
We just had some arsehole driver
almost ram us off the road.

TROY
Really? Fucking bastards. Make
yourselves comfy. I've just got to put
my trousers on and I'm done.

Troy heads off to the bathroom and closes the door. Martha and
Simon head into the living room, which is an absolute mess with
pill bottles everywhere.

Martha goes off into the kitchen to get some water.

SIMON
(to Martha)
What are these pills all over the
place?

MARTHA
Troy's studying to be a pharmacist.

Martha comes back and spots the bottle of Valium on the table
and picks it up.

MARTHA (CONT'D)
Here. Have one of these... It'll calm
you down.

SIMON
You sure?

MARTHA
Absolutely. It's just Valium. I used
to take them all the time... It'll
make you feel better, honestly.

Simon takes the pill and swallows it with some water.

Troy walks in, now with his trousers on.

TROY
Ready.
Simon and Martha leave, Troy surreptitiously picks up the Valium bottle, puts it in his pocket, then follows them out.

EXT. FRONT OF HOUSE - DAY

WIDE SHOT of the front of the house. A black SEDAN has pulled up. The passenger door is opened and a man emerges. He is in his thirties, very slick and successful looking, charming and larger than life. This is ROBERT. The chauffeur has gone to the boot and puts Robert's luggage on the ground next to him. Robert gives him a tip. The chauffeur acknowledges the tip before getting back in the car as Robert stands there just looking at the house in which he was raised.

INT/EXT. ENTRY WAY - SAME TIME

CAMERA is in the entry way now shooting outside. The SEDAN is exiting leaving ROBERT standing looking at the house and property. We see countryside behind him in the distance. Then ROBERT moves slowly towards CAMERA and through the front doorway as CAMERA Pulls Back with him.

ROBERT
Hello! Hello!

INT. LIVING ROOM - DAY

Robert enters the living room.

SANDRA
Robert!

Sandra goes to Robert and practically fling her arms around him. Daniel looks a bit lost in the background with Jane.

Robert finally manages to disengage from his mother, and walks over and hugs both Daniel and Jane.

ROBERT
(to Daniel and Jane)
How are you doing?

DANIEL
OK.

They break off the hug.

SANDRA
How was the flight?
ROBERT
Great... There was a lot of turbulence though which was a bit worrying... I guess that's the thing about first class. It doesn't matter how much you paid for your ticket, if the plane crashes then you're all gonna end up d-... er...

Robert realizes his faux pas.

This is too much for Sandra who just bursts into tears and rushes off.

ROBERT (CONT'D)
Oh shit.

JANE
I'll make sure she's OK.

Jane heads off after Sandra. Daniel gives Robert a weary look.

INT. MARTHA'S CAR - MOVING - LEAVING LONDON - DAY

Martha is now driving, Simon is sitting in the passenger seat looking a little spaced out, with Troy in the back.

Troy leans forward.

TROY
So, poor old Uncle Sidney...

MARSHA
Yeah.

TROY
Did you ever meet Uncle Sidney, Simon?

There's no response. Simon looks distantly out the window.

TROY (CONT'D)
Simon?

SIMON
Was there a dog in here just now?

Martha looks at Simon very strangely.

MARSHA
What?

(CONTINUED)
CONTINUED:

SIMON
I'm sure there was a dog in here.

A beat.

MARTHA
What the hell are you talking about?

Simon goes quiet and just goes back to looking out the window. Martha looks confused. Troy looks curious.

INT. LIVING ROOM - DAY

Robert and Daniel stand awkwardly close to the coffin. Robert has taken a moment to register that his DAD is actually in there. Then he recovers...

ROBERT
Well, this is bloody grim isn't it?

DANIEL
It's not supposed to be fun Robert.

ROBERT
I know, but Jesus... I feel like my heart's been wrenched out of my rib cage. It's awful.

DANIEL
Well, that's grief for you.

ROBERT
This is why I prefer not to have close relationships... There's too much emotion involved.

Daniel gives his brother a disparaging look.

ROBERT (CONT'D)
It's weird being back here. I feel so out of it.

DANIEL
That's what comes from living in a different country. You lose touch.

ROBERT
Well, I'm just glad you're gonna be around to look after mum.

(CONTINUED)
DANIEL
Not for long... Jane and I are moving out.

ROBERT
(sarcastic)
Great. So what are you gonna do with mum? Stick her in a home?

DANIEL
Well, actually I was thinking... maybe you could take her to New York with you.

ROBERT
Don't be ridiculous, I can't take her to New York. What am I gonna do with her? Take her to parties? She'd hate it.... No, she's better off with you and Jane, believe me.

DANIEL
But we've already decided. We're putting a deposit on a house... Which reminds me, I'm gonna need that money.

ROBERT
What money?

DANIEL
The money for the funeral... You agreed to pay half.

ROBERT
Did I?

DANIEL
Yes.

ROBERT
Oh right.

DANIEL
So?

ROBERT
Well I don't have it on me Daniel. I'll get it to you in a few months. I'm due an advance in October—
DANIEL
I can't wait a few months! I need it now!

ROBERT
Well, that's not gonna happen is it? I'm totally skint.

DANIEL
What do you mean you're skint? You're a successful novelist. You've got a swanky New York apartment.

ROBERT
And do you have any idea how much it costs for the upkeep?... Besides which I just had to lay out a fortune for the flight over here. Do you know what they're charging for first class nowadays? It's a disgrace.

Daniel looks at Robert in despair.

INT. HOWARD'S CAR / EXT. STREET - DAY

Howard is driving along looking out for Uncle Alfie, until they finally see an old man dressed in a black suit sitting in a wheelchair on the pavement.

HOWARD
Is that him?

JUSTIN
Jesus Howard, you didn't tell me the guy was gonna be in a wheelchair.

HOWARD
I didn't know.

JUSTIN
What's he doing?

UNCLE ALFIE, an elderly man in a wheelchair appears to be shouting at passers-by on the street and poking at them with his cane. It's clear that the man's a bit insane.

A nurse is sitting on a bench supposedly caring for Alfie, but instead is engrossed in a magazine.

Howard winds down his window tentatively and addresses the nurse.

(CONTINUED)
CONTINUED:

HOWARD
Excuse me. We're here to collect Alfie.

NURSE
Thank god for that.

The nurse walks off leaving Howard and Justin looking miffed, and Uncle Alfie in his wheelchair on the pavement.

UNCLE ALFIE
Where the fuck have you been? You're late!

INT. LIVING ROOM - DAY

A few mourners are arriving. Robert is still standing with Daniel. He looks at the mourners coming through.

ROBERT
Who are all these people anyway? I don't even recognize any of them.

Robert sees PETER, a four foot six man, standing over by the entrance.

ROBERT (CONT'D)
Who the hell is that guy?

DANIEL
I have no idea. Maybe a friend of Dad's from work or something... So, you're telling me I'm gonna have to pay for the whole funeral?

ROBERT
Well, I can't draw money out of thin air Daniel.

DANIEL
Oh Jesus fucking Christ.

Reverend suddenly appears.

REVEREND
Daniel, how's everything going?

DANIEL
Fine, thank you. We're just waiting for everyone to arrive, then we can get going. I know you're in a hurry...

(CONTINUED)
The Reverend stands there looking like he's waiting to be introduced to Robert.

**DANIEL**

Sorry. Have you met my brother Robert?

**REVEREND**

Ah, the writer, of course. It's a pleasure to meet you. I've read several of your novels.

**ROBERT**

Oh, really?

Daniel is irritated.

**REVEREND**

(to Daniel)

You must be very proud of your brother.

**DANIEL**

Oh yes, very proud.

**REVEREND**

(to Robert)

And will you be making the eulogy today?

**ROBERT**

No. Daniel will be doing the eulogy.

The Reverend tries his best not to look disappointed.

**REVEREND**

Great... Well, I'll just make sure I have everything I need.

He walks off.

**DANIEL**

Look, I think you should just do the eulogy. Everyone's expecting you to do it. I'll probably mess the whole thing up anyway.

**ROBERT**

Don't be silly. You'll be fine.
CONTINUED: (2)

VICTOR, Sandra's brother, a middle aged doctor, approaches Daniel and Robert.

VICTOR
Hello Robert.

ROBERT
Uncle Victor.

They greet each other in a manly way.

INT. MARTHA'S CAR - MOVING - IN THE COUNTRY - DAY

Martha is driving. She's still a bit concerned about Simon, who is listening intently to the radio, and nodding his head enthusiastically to the beat.

SIMON
What is this song? It's absolutely brilliant!

Martha gives Simon a funny look.

MARTHA
Simon, are you feeling alright?

Simon starts touching his face.

Troy leans forward and puts his head round to the window side of Martha's chair and speaks quietly to her.

TROY
Martha, is Simon normally like this?

MARTHA
What the hell do you think?

Troy looks concerned.

INT. HOWARD'S CAR - MOVING - IN THE COUNTRY - DAY

Howard is driving. Justin is in the passenger seat. Uncle Alfie shouts from the back.

ALFIE
Why don't you slow down! You're going too fast! Why do you people have to drive so fast?

HOWARD
I'm driving at thirty miles per hour.

(CONTINUED)
CONTINUED:

ALFIE

What?

HOWARD

I'm going at thirty miles per hour.

ALFIE

Speak up! I can't hear you!

Howard turns his head so he can shout to Uncle Alfie.

HOWARD

(shouts)

I'm going at thirty!

Howard gets a whack on the arm from Alfie's cane.

ALFIE

Watch the road you bloody fool. You'll get us all killed!

Howard winces and clutches his hurt arm. Howard and Justin realize they're dealing with a maniac.

INT. LIVING ROOM - DAY

More mourners have arrived, wearing black and looking appropriately sad. Everyone speaks in hushed, sad tones.

Victor is standing with Robert and Daniel.

VICTOR

So, how's it going in New York? Any new books coming out?

ROBERT

One coming out at Christmas actually.

VICTOR

Good stuff... And what's all this I hear about you not doing the eulogy?

ROBERT

That's right. Daniel's going to do the eulogy.

VICTOR

That's a damn shame... I mean, I'm sure you'll be good Daniel. It's just what with Robert being the writer of the family...
CONTINUED:

DANIEL
Yeah. Excuse me.

Daniel walks off towards Jane, who is doing her bit to welcome the mourners.

DANIEL (CONT'D)
Every single bloody person wants Robert to do the eulogy. He was my father too, wasn't he? I'm just as entitled to do the bloody eulogy!

JANE
Of course you are. And it's going to be the best bloody eulogy anyone's ever heard.

Two mourners walk past, oblivious to their proximity to Daniel and Jane.

MOURNER 1
Did you hear? Apparently Robert won't be doing the eulogy?

MOURNER 2
What a shame. He's such a wonderful writer...

INT. HOWARD'S CAR - MOVING - DAY
Uncle Alfie is asleep in the back. Howard is looking for a parking space, but there doesn't seem to be anything available. A catering truck and a flower van are taking up a lot of space.

HOWARD
There's absolutely nowhere to park.

Then the small flower delivery van pulls out. Justin points out the newly empty space.

JUSTIN
Why don't you just park there?

HOWARD
I'll never fit in there.

JUSTIN
Of course you will. It's huge. Don't be a pussy.

(CONTINUED)
HOWARD
You really think I can make it in there?

JUSTIN
Of course.

HOWARD
Alright.

Just as he's about to drive in, another car takes it.

HOWARD (CONT'D)
What the hell?-

JUSTIN
For god's sake Howard, why didn't you just park?

The other car contains Troy, Simon and Martha. Howard winds down his window.

JUSTIN(CONT'D)
Hey look, it's Martha.

HOWARD
(to Martha)
I was actually about to park there.

Martha gets out of the car.

MARTHA
Yeah, well I'm sorry Howard, but I'm late for my uncle's funeral.

JUSTIN
Hi Martha.

MARTHA
Hi Justin.

HOWARD
Well, what do you think we're doing here? We haven't come to read the gas meter.

MARTHA
Are you a relative?

HOWARD
Well, no, but-
The Flower Delivery VAN has been waiting to move forward. Its driver now beeps the horn.

HOWARD (CONT'D)
Alright! Hang on a minute.

Martha, Simon and Troy walk off and head towards the house. Justin watches them go.

JUSTIN
Did you see that?... She barely even looked at me.

Howard turns round and looks at Uncle Alfie.

HOWARD
Oh my god. I've got Uncle Alfie in the car. How could I forget to say that I've got Uncle Alfie.

Justin has other concerns.

The VAN...a few yards in front of him...beeps again.

HOWARD (CONT'D)
(to the van in front)
Yeah, alright!! Keep your hair on!

JUSTIN
... She barely even looked.

Howard, now highly irritated, is forced to drive backwards down the long road he drove up while passing all the parked cars on the side.

EXT. DRIVEWAY - DAY

Simon, Martha and Troy are walking down the driveway where there are various people mingling.

SIMON
It's very green here isn't it?...
Green.. Very green... Very... green.

Martha takes Simon to the side.

MARTHA
Simon, what the hell is the matter with you?

SIMON
What do you mean?
MARTHA
All this talking about phantom dogs
and things being "green"... what's
going on?

SIMON
I don't know.

Simon wanders off, leaving Martha with Troy.

MARTHA
Something's not right... I think it
must be the Valium.

Troy is shocked.

TROY
Valium?!

MARTHA
I gave him a Valium in your flat. I
think he's just not used to it.

TROY
Oh right.

Troy's face reveals his realization of what's happened. He puts
his fist in his mouth.

INT. LIVING ROOM - DAY
Victor enters and goes up to Sandra, who is standing with Daniel
and Jane.

VICTOR
How are you feeling sis?

SANDRA
Just very sad. He was a wonderful
husband, wasn't he? So attentive. So
devoted.

Jane gives Sandra a comforting stroke of the shoulder.

JANE
Can I get you a cup of tea or anything
Sandra?

SANDRA
Tea can do many things Jane, but it
can't bring back the dead.

(CONTINUED)
Sandra walks off, all upset. Jane feels like shit. Everyone looks awkward.

VICTOR
(to Jane)
You just can't say anything when they're in this state... At least you two are here, so she won't be on her own.

Victor heads off. Jane turns to Daniel.

JANE
Daniel. Did you sort out the money with your brother?

DANIEL
Er... Yeah, all sorted.

JANE
Right. So are you gonna call them?

DANIEL
Definitely.

Jane is irritated that Daniel's not more forthcoming.

JANE
Why don't you just give me the number. I'll do it.

DANIEL
No, it's alright. I'll do it later.

JANE
But it might have gone later... Do you understand Daniel that if I have to continue living in this house I'll end up going insane. Is that what you want?

Daniel's looking around the room and catches eye contact with Peter, the four foot six inch man, who seems to be staring straight at him. Daniel finds this awkward and distracting.

DANIEL
Jane, don't make it obvious, but that guy standing by the wall. Do you recognize him at all?

JANE
What?

(CONTINUED)
CONTINUED: (2)

DANIEL
There's something about him. He keeps looking at me... It's starting to creep me out a bit.

JANE
Are you listening to me Daniel?... We need to put the down payment on that house. Before it's too late!

Daniel looks miffed as Jane storms off.

We see Peter standing alone at the other side of the room. He raises his eyebrows to Daniel.

EXT. LONG ROAD WITH PARKED CARS - DAY

Howard's car is almost at the corner still being forced backwards by the flower van. We see that Justin is thinking about something.

JUSTIN
Stop the car Howard.

HOWARD
What?

JUSTIN
Stop the car. I have to speak to her. I have to speak to Martha.

Howard reluctantly stops the car. Justin gets out.

HOWARD
What about Uncle Alfie?.. I need help with Uncle Alfie!

It's too late. Justin has gone. He starts the trek up the road.

The van in front of Howard honks the horn. Alfie wakes up.

ALFIE
What's going on here? Where are we?!... We're going to be late!

Alfie hits him on the arm with his cane.

HOWARD
Ow! Can you please stop doing that?!

The van keeps beeping. Howard backs up.
INT. LIVING ROOM - DAY

Daniel, looking nervous, is in a corner reading through the eulogy.

DANIEL
(Whispering to himself)
"My father was an exceptional man"...

The Reverend comes over.

REVEREND
I really think we should be calling everyone in now to start the service. Really, I'm only supposed to be here until three.

DANIEL
Sure. Can we just wait five minutes for my Uncle Alfie. We shouldn't really start without him if possible.

REVEREND
...Of course.

As the Reverend walks away, Daniel again sees Peter through the doorway standing in the background, peering at him, seeming to be slightly closer this time. Again, he raises his eyebrows to Daniel, who responds with an uneasy smile.

EXT. DRIVEWAY - DAY

Victor comes over to greet his daughter and son.

MARTHA
Hi Dad. How you doing?

VICTOR
Not too bad.

Martha kisses him.

TROY
Hi Dad.

VICTOR
Hi Troy. You missing university today?

TROY
Oh, a bit. Not to worry though. I'll catch up.

(CONTINUED)
VICTOR
I know. I'm not worried about you.

Victor looks pointedly at Martha. Martha is irritated.

MARTHA
How's Aunt Sandra?

VICTOR
She's bearing up.

Victor looks over and sees Simon examining a bush. He gives Martha a look.

VICTOR (CONT'D)
So you brought whatsisface along I see.

MARTHA
His name's Simon. And yes, of course I brought him along. He's my boyfriend. Anyway, I don't know why you've got such a problem with him. If you gave him half a chance you'd realize that he's actually a highly intelligent, able and successful young man.

Simon wanders over to join them holding a leaf in his hand.

SIMON
(to Martha)
Look... Isn't it beautiful?

Simon's staring at it in fascination. Martha's embarrassed.

MARTHA
Simon, you remember my Dad, don't you?

Simon looks up and sees Victor standing there. He's immediately nervous.

SIMON
Oh hi... I'm so sorry about... the death and everything.

Victor looks at him strangely. Troy looks concerned.

VICTOR
Yeah.
(to Martha and Troy)
I'll see you after the service.

(CONTINUED)
Victor heads off. Martha doesn't think it went very well.

TROY

Martha, can I speak to you for a minute?

Troy takes Martha's arm with some urgency and takes her off to the side.

MARTHA

What? What is it?!

TROY

OK. I have to tell you something, and I'll warn you in advance that you're not gonna like it.

INT. STUDY - DAY

Daniel's pacing and practicing his eulogy, trying his best to concentrate amid the growing throng of people he sees through the doorway.

DANIEL

"My father was an exceptional man..."

Robert approaches, and shakes his sleeve.

ROBERT

My god, that Katie's grown up a bit hasn't she?

KATIE, twenty and attractive, can be seen through the doorway.

DANIEL

What?

ROBERT

Katie. She was like a little girl when I left, and now she's... you know. She's fit.

Daniel looks distastefully at his brother.

ROBERT (CONT'D)

I might go and have a chat with her.

DANIEL

Yeah, why don't you do that.

Robert heads off towards the girl. Daniel once again catches eye contact with Peter, who now looks like he has edged even closer.
Martha is standing next to Troy, with Simon just off at a distance making strange contorted expressions with his face. Other people are starting to notice him and think he's slightly odd.

Martha is looking at Troy in absolute shock.

MARTHA
What did you just say?

TROY
I said, that the Valium you gave to Simon wasn't actually Valium. It's a hallucinogenic concoction. You know. Stuff like acid, mescaline.. Ketamine...

MARTHA
This isn't funny Troy.

TROY
I'm not being funny. Look at him, he's off his tits!

They look at Simon, who is indeed looking around him with eyes wide as saucers.

MARTHA
You absolute little twat. What the hell are you doing leaving this stuff around your flat?!

TROY
I didn't know someone was gonna take it did I? Who just goes into someone else's flat and takes random pills?

MARTHA
They were in a Valium bottle!

Martha looks over at Simon who's squatting beside a garden sculpture looking fascinated.

MARTHA (CONT'D)
Fuck, Troy! What the hell am I meant to do? Should I tell him?

TROY
No, don't do that. It'll just freak him out completely...

(MORE)
CONTINUED:

TROY (CONT'D)
I think we should just keep a very close eye on him, and make sure he doesn't get out of control... And don't let him spend too long talking to one person.

EXT. ROAD - DAY
Howard is struggling to get Alfie out of the car and into the wheelchair.

ALFIE
What are you doing?! Don't do that, you'll break it!... Come on!

Alfie bangs his cane on the floor impatiently.

INT. STUDY- DAY
Daniel is standing, still nervously rehearsing his eulogy. Peter, the mysterious guest, suddenly appears at the doorway.

PETER
Hi there.

Daniel looks up at him, surprised and apprehensive.

PETER (CONT'D)
I was really sorry to hear about your Dad. He often talked about you, you know? Always said you were a good son.

DANIEL
Thanks... So, were you a friend of his?

PETER
Something like that, yeah.

Daniel eyes Peter with some suspicion.

DANIEL
Well, nice to meet you. Thank you for coming.

And Daniel walks away leaving Peter alone.

EXT. ROAD - DAY
Howard is struggling to push Alfie up a steep hill. He's gasping and wheezing.

(CONTINUED)
CONTINUED:

ALFIE
Come on. Put your back into it. You're supposed to be a young man. Don't you have any strength?

Howard tries to up his pace, but he's finding it very hard to cope physically.

EXT- FRONT OF HOUSE- DAY
Martha sees Sandra approaching from the living room.

MARTHA
(To Troy)
Oh god, here comes Aunt Sandra.

Sandra comes up to Martha and Troy and kisses them hello.

MARTHA (CONT'D)
I'm so sorry. We're gonna miss Uncle Sidney terribly.

TROY
Yeah. He was a great guy.

SANDRA
Thank you.

Simon appears next to Martha, with a big grin on his face.

SIMON
Have you seen this man's hair?

Simon points over at one of the mourners who has an amusing haircut. Martha is looking terribly embarrassed.

MARTHA
This is my boyfriend Simon... Simon, this is my Aunt Sandra.

Simon shakes her hand nervously. He's now trying to stop himself laughing, and is failing miserably. Sandra just stares at him like he's the worst scum on earth. Simon gets distracted and wanders off.

A mourner taps Sandra on the shoulder. She turns around to talk to the mourner, leaving Martha and Troy standing looking concerned.

TROY
What are you gonna do?!
MARTHA
I don't know... I can't leave, can I?
Auntie Sandra'll never speak to me again.

Justin arrives disturbing their conversation.

JUSTIN
Martha.

Martha looks at him and answers him coldly.

MARTHA
Hi Justin.

TROY
(Not too thrilled)
Oh, hi Justin.

Being aware of Martha's previous relationship with Justin, and not particularly liking him, Troy leaves.

JUSTIN
You look nice.

MARTHA
I'm dressed for a funeral.

JUSTIN
Yeah, but still.

An awkward moment.

JUSTIN (CONT'D)
So... I heard about the engagement.

MARTHA
News travels fast... I haven't even told my Dad yet.

Justin looks over and notices Simon looking bewildered.

JUSTIN
So that's him is it? That's the man you're going to spend the rest of your life with.

Martha looks over at him, and he's wandering inside with a look of awe on his face.

MARTHA
Yep, that's him.
Simon starts to get into a conversation with someone, so Martha thinks she'd better stop him.

JUSTIN
Martha, I-

MARTHA
Oh shit. I have to go.

Martha walks off, leaving Justin feeling dumped.

Howard has just turned the corner of the driveway and is now in front of the home with Alfie. He pushes Alfie to the FRONT PORCH close to Justin. Howard looks like he's about to collapse from exhaustion.

Howard expects Justin is going to help him lift Alfie up the FRONT STEPS but Justin just stays looking at where he last saw Martha.

JUSTIN
I can't believe she's going to marry that guy. She must be out of her mind.

UNCLE ALFIE
(to Howard)
Lift it! You have to lift it!

Howard struggles to lift Alfie and the Wheelchair, huffing and puffing. Justin is just standing there. Howard watches him incredulous.

HOWARD
Any chance of a hand here, Justin?

INT. LIVING ROOM - DAY

Peter again approaches Daniel. He looks like he's about to say something important.

PETER
Actually, there's something I'd like to talk to you about when you have a minute.

Daniel spots in the background Justin coming through the door with his Uncle Alfie.

DANIEL
Yeah, that's great... Do you mind if we do it later though, my Uncle's just arrived.
CONTINUED:

PETER

Sure.

Daniel heads off.

INT/EXT. FRONT DOOR ENTRANCE – ENTRY WAY – DAY

Justin comes through with the wheelchair. Howard is panting in the background.

DANIEL

(to Justin)

That's brilliant, Justin, thanks so much. Hope it wasn't too much hassle.

JUSTIN

No, not at all mate.

Howard is still trying to get his breath back so can't say anything and watches in horror as Justin takes the credit.

DANIEL

How are you doing Uncle Alfie?

UNCLE ALFIE

Terrible.

Daniel wheels Alfie away.

INT. LIVING ROOM – DAY

Daniel enters and nods to the Reverend. The Reverend stands up at the front. Daniel pushes Uncle Alfie to the front and takes his seat in the front row next to Jane. He takes out his notes and looks at them nervously.

REVEREND

Ladies and gentlemen if you could all kindly take your seats. We're about to begin the service.

Martha is sitting Simon down. He now looks completely off his face. Troy is on her other side.

Pretty much everyone is sitting down now apart from Howard who, sweating from his exertions, is trying to get through the row to sit in a seat next to Justin.

The Reverend waits for the disturbance to end, so that Howard attracts the attention of everyone in the service.

He finally makes it next to Justin. Justin leans away.

(CONTINUED)
JUSTIN
Mate, you stink.

HOWARD
Yeah, well, maybe that's because you left me to deal with Uncle Alfie on my own... Not to mention taking all the credit.

Martha, turns round.

MARTHA
Howard, can you be quiet?

Howard is deeply irritated by this.

REVEREND
Family and friends, we're gathered here today to mourn the passing of Sidney...

While the Reverend is talking, Howard pokes Martha on the shoulder and leans forward.

HOWARD
(whispers)
Just so you know Martha, we actually had Daniel's Uncle Alfie in the car with us.

Daniel is still reading through his speech, but being disturbed by Howard's whispering a couple of rows behind him.

HOWARD (CONT'D)
(whispers)
You stole my parking space, and I had to push him half a mile up a hill. We almost missed the service!

Daniel looks around to see Howard poking Martha.

DANIEL
(to himself)
Jesus Christ.

Howard taps her on the shoulder again.

HOWARD
That was my parking space.

(continues...
MARTHA
(whispers)
Look, Howard, if you don't stop poking me on the shoulder, then I'm going to take you outside and I'm gonna kick the living shit out of you, do you understand me?

DANIEL
(whispers to Howard)
What the hell is going on?!

HOWARD
(whispers)
She stole my parking space!

DANIEL
(whispers to Howard)
What do you mean she stole your parking space?! This is a funeral. Behave yourself.

Howard feels berated. Martha turns round and gives him a smug grin, but there's not much he can do to retaliate.

ANGLE ON:

The Reverend at the front of the hall.

REVEREND
...And now we'll have a few words from Sidney's son, Daniel.

Jane gives Daniel a supportive squeeze of the arm, as he makes his way up to the podium. We overhear Uncle Alfie talking loudly to the person next to him.

UNCLE ALFIE
Why isn't Robert doing the eulogy?

Daniel arrives at the front and looks out across the expectant crowd. He looks extremely nervous.

DANIEL
Hi everyone...

Daniel nervously wipes some sweat from his brow.

DANIEL (CONT'D)
Thanks to so many of you for coming... I never realized my Dad was so popular.

DANIEL (CONT'D)
In fact he seems to have more friends
now that he's dead, than he did when
he was alive.

Blank faces stares back at Daniel. Jane looks pained. He decides
to read deadpan straight from his piece of paper.

DANIEL (CONT'D)
My father was an exceptional man... He
was a man who lived for his family,
and for his work...

While Daniel's reading his eulogy, Simon is focusing on the
coffin. Suddenly, he grabs Martha's arm.

SIMON
Did you just see that?

MARTHA
See what?

SIMON
The coffin just moved.

MARTHA
What?

SIMON
I'm telling you I saw it move.

Martha looks concerned. Simon looks completely wired.

Daniel becomes vaguely aware of the disturbance, but battles on
with his eulogy.

DANIEL
And I'll never forget the time when
Dad took us to the place where he grew
up...

Simon's protestations are getting louder. Victor looks back at
the disruption with a disapproving glare.

SIMON
There, look. It happened again.

MARTHA
Simon, please-

SIMON
I'm telling you that coffin's moving!

(CONTINUED)
People start looking round at Simon who's becoming increasingly vocal, and looking increasingly like someone on hallucinogenic drugs.

MARTHA
(whispers)
Simon. Just calm down.

SIMON
(shouts)
The coffin's moving I tell you!

Everyone turns to look at him, shocked. Daniel stops his eulogy. Martha is about to die from embarrassment.

SIMON (CONT'D)
There's someone alive in there!

MARTHA
Simon, please sit down.

Troy practically has his whole fist in his mouth. Everyone else is just looking appalled and astonished.

SIMON
What the hell is wrong with you all?!

Simon stands up.

MARTHA
(panicked)
Simon, where are you going?

Simon ignores her and walks purposefully towards the coffin at the front. People watch him in astonishment.

DANIEL
What are you doing?

SIMON
There's someone moving in there. Can't you see?

Simon starts to open the coffin.

Daniel steps down from the raised floor of the conservatory and tries to stop him, but Simon is determined. A tussle begins, and several of the other mourners start to get involved.

Victor comes over, with an appalled expression on his face and tries to pull Simon away, but Simon's absolutely determined to get in there and won't be stopped.

(CONTINUED)
CONTINUED: (5)

VICTOR
Get away from there.

SIMON
No, I have to show you!

The scene descends into absolute chaos with people pushing and struggling.

Finally, the coffin falls off the platform and tips over.

The very dead body of Sidney rolls out onto the floor at the feet of Sandra, to the shock of the onlookers, not least of all Simon.

Robert drops his head in his hands.

As we fade to black we can hear the chaos, and screams of the congregation.

CUT TO BLACK:

FADE IN:

INT. KITCHEN - DAY

It's a few minutes later.

Sandra is sitting with a hot cup of tea, staring into oblivion. She looks devastated, and has lots of people comforting her, including Daniel.

MOURNER 1
Are you OK dear?

In the other room, we can hear Robert speaking to the rest of the mourners.

ROBERT (O.S.)
Excuse me everyone. Just to let you all know, we're having everything put back in place and it shouldn't be long before we can resume the service.

Daniel marches out of the kitchen.

INT. LIVING ROOM - DAY

Daniel barrels through the living room towards the back garden.
CONTINUED:

In the background some mourners including Victor are helping to put Sidney's body back into the coffin. Robert is still giving his announcement.

ROBERT
So if you'd all like to have some lovely tea and cake, and we'll let you know when we're ready to continue.

EXT. BACK GARDEN - DAY

In the back garden, Martha is trying to comfort Simon, who's looking very disturbed indeed. Troy is also there, looking guilty.

Martha's giving Simon a glass of water.

Daniel comes up to them, having come from the conservatory.

DANIEL
Good god Martha, what the fuck was that about?!

MARTHA
I'm so sorry Daniel. Go back inside. Please. I'll explain later.

An annoyed and confused Daniel turns and walks back to the house crossing Victor who has also just come from the conservatory and is headed for Simon.

VICTOR
I'll kill him!

Martha tries to keep Victor away from Simon, who is stressed enough and looks at Victor, terrified.

MARTHA
Dad, leave it!

VICTOR
Leave it?! He completely wrecked the funeral.

MARTHA
It wasn't his fault.

VICTOR
What do you mean, it wasn't his fault?!!... Your Aunt Sandra's in tatters... I want him out of here right this minute is that clear?...

(MORE)

(CONTINUED)
VICTOR (CONT'D)
I don't want to see that ridiculous man ever again in my life, do you understand me?

MARTHA
I can't do that.

VICTOR
Why not?

MARTHA
Because we're getting married, that's why not.

Victor looks like he's about to faint.

He looks over at Simon, who looks like he's just seen a ghost, struggling to stand up straight, with Troy who's doing his best to look after him.

VICTOR
Have you lost your marbles?

MARTHA
This isn't actually what he's like. He had some drugs, and they've made him act all weird-

VICTOR
What do you mean he had drugs?! What drugs?

Troy looks over, his eyes pleading with Martha not to drop him in it.

MARTHA
He took some Valium and had a bad reaction.

VICTOR
Valium?!

Troy looks grateful.

TROY
Dad, maybe you should go back inside and see how Aunt Sandra's doing.

Victor looks at Troy, then at Simon and then at Martha.

VICTOR
We'll talk about this later.
Victor walks back to the house.

INT. LIVING ROOM - DAY

Howard walks over to speak to Daniel who is trying to keep the various mourners calm.

HOWARD
Are you alright mate?.. I mean, that was something, wasn't it?... I've never seen a dead body before... So weird... All pale and... dead.

Daniel looks at Howard.

HOWARD (CONT'D)
Terrible isn't it... One minute everything's fine, you're having a normal day, and the next- (clicks his fingers)
You're a dead man... a corpse-

DANIEL
Can you please shut up Howard?

HOWARD
Of course, yeah... sorry... It's just that you never know when it's gonna happen to you, do you know what I mean?... It's like, I have this weird patch of skin on my wrist. Have I shown it to you yet?

DANIEL
No.

HOWARD
I've had it for weeks, and I've got no idea what it is-

Daniel spots Victor walking towards the kitchen.

DANIEL
Why don't you show it to my Uncle Victor. He's a doctor.

HOWARD
Great. Thanks.

Howard walks off towards Victor.
EXT. BACK GARDEN - LOGIA - DAY

Simon, Martha and Troy standing together.

SIMON
I swear, I saw the thing moving. I must be going mad...
(looks at his hands)
Why are my hands so big?!

MARTHA
Simon, listen to me. I need to tell you something...

Martha sits him down on the bench. Simon's eyes are bulging out of his head.

SIMON
What is it?

MARTHA
Now... You remember I gave you some Valium earlier?

SIMON
Yes.

MARTHA
Well it turns out that it wasn't actually Valium I was giving you.

SIMON
What do you mean?

MARTHA
It was a concoction of drugs that Troy had made.

Simon looks up at Troy who sort of waves back embarrassedly. Simon is trying to grasp the meaning of what's being explained to him.

SIMON
What?

TROY
It's acid mostly... some speed as well... a little Ketamine...

Simon goes quiet for a while.
SIMON
So, this is why I'm feeling like I'm on planet Pluto.

TROY
Yeah... Now, my advice is to relax and just go with the flow. Try and enjoy it.

Simon stands up, agitated and panicking, and grabs Troy by the lapels. Troy looks shocked.

SIMON
How long does it last?

TROY
I don't know... about eight hours?

SIMON
Eight hours?! Of this?!!

As Martha struggles to prize Simon off of Troy, the Valium bottle falls out of Troy's pocket, without anyone realizing.

Simon sits down, and starts hyperventilating.

People are starting to gather to see what's going on.

SIMON (CONT'D)
I'm gonna be sick.

Martha picks Simon up, and takes him inside.

SIMON (CONT'D)
Bathroom... bathroom...

MARTHA
Everyone out of the way!

Martha leads him into the house.

INT. LIVING ROOM - DAY

Daniel has just finished speaking to one of the mourners who walks away. Jane walks up to him.

JANE
(concerned)
My god, Daniel... That was unbelievable!

(CONTINUED)
CONTINUED:

DANIEL
I know.

We see Martha and Simon crossing behind and heading up the stairs.

JANE
Are you OK?

DANIEL
I'll be alright... And, no I haven't sorted out the house yet.

Daniel walks off leaving Jane looking frustrated and hurt.

INT. UPSTAIRS CORRIDOR - DAY

Martha leads Simon into the bathroom and he goes in and shuts the door behind him.

INT. BATHROOM - DAY

Simon stands in the bathroom. He's building up quite a sweat and mumbling to himself.

SIMON
Right... Oh Jesus....

He runs the tap and splashes some water on his face.

SIMON (CONT'D)
OK. Stay calm... Stay calm....

INT. CORRIDOR - DAY

Martha stands anxiously in the corridor.

MARTHA
Simon, are you OK?

INT. BATHROOM - DAY

Simon is looking at himself in the mirror, blocking out Martha.

SIMON
OK. Let's keep it together. That's it. You're gonna be alright. You're gonna be alright. You're gonna get through this, and one day you'll laugh about it. It'll be a funny story you'll tell your friends.
INT. KITCHEN - DAY

Howard's holding his hand in front of Victor's face.

HOWARD
It's a kind of skin discolouration. I've had it for weeks now and it's just not going...

Victor is looking at Howard incredulous.

HOWARD (CONT'D)
I mean it's just in this small area here, but it's weird isn't it? Don't you think it's weird?

Reluctantly, Victor answers him.

VICTOR
You should probably go and see a dermatologist.

Howard looks at him, surprised.

HOWARD
Really? Why? What do you think it is?

VICTOR
I don't know. It looks like some kind of pigment mutation.

HOWARD
A pigment mutation?!

VICTOR
Excuse me.

Victor takes a swig of his drink and heads off, leaving Howard looking shocked and terrified.

HOWARD (to himself)
A pigment mutation?

INT. BATHROOM - DAY

Simon is still staring at himself in the mirror, looking completely off his head.

(CONTINUED)
CONTINUED:

SIMON
That's it Simon, keep it together.
Everything's gonna be just fine.
You're Simon Smith. You're a
Solicitor... You can handle this. No
problem. Eight hours he said?
Easy. No problem at all. I mean you've
already been in here for...

He looks at his watch.

SIMON (CONT'D)
Five minutes.

Suddenly the pressure of the situation overtakes him and he
screams out:

SIMON (CONT'D)
God, Jesus, Fuck!

INT. ENTRY CORRIDOR/ LIVING ROOM - DAY

Daniel hears this screaming and cursing going on upstairs. Peter
appears next to him.

PETER
Grief does strange things to people,
doesn't it?

Daniel looks at him a little freaked out by his sudden
appearance again.

DANIEL
...Yeah.

They stand in silence for a moment, with the swearing in the
background as an awkward backdrop.

PETER
If you remember I had something I
wanted to talk to you about.

DANIEL
Oh yeah.

PETER
Is there somewhere quiet we could go?

DANIEL
Sure.

(CONTINUED)
Daniel is extremely curious. They walk past Troy who is frantically searching around the floor for his lost bottle of pills.

Daniel leads Peter and opens the door into the study.

Troy approaches Uncle Alfie who is sitting near the buffet table.

TROY
Uncle Alfie, you haven't seen a little bottle of pills-

UNCLE ALFIE
(shouts at Troy)
For the last time no!

INT. UPSTAIRS CORRIDOR - DAY

Martha is outside the bathroom banging on the door. We can still hear Simon moaning inside.

MARTHA
Simon, are you OK? Open the door.

Justin arrives behind her.

JUSTIN
Hi there.

Martha looks at him a little coldly.

MARTHA
Hi.

JUSTIN
Anything I can do to help?

MARTHA
Not really, thanks.

JUSTIN
I guess you've got it under control have you?

Martha ignores him and continues banging on the door.

MARTHA
Simon?

Justin points to the bathroom, from where anguished noises are emanating.
JUSTIN
So this is your choice is it? This is who you chose over me?

MARTHA
Look... I've got a lot on my plate right now Justin and I just can't deal with your shit. Now will you please just go away!

Justin looks hurt, and walks off in a strop.

INT. STUDY - DAY

Peter takes a seat and notices a manuscript on the coffee table, with Daniel's name on front.

PETER
You writing a novel?

DANIEL
Er... yeah..

PETER
Like your brother.

DANIEL
Well, you know, different from my brother, but-

PETER
He's a great writer, isn't he?

DANIEL
(Reluctant)
Er... yes, he is.

Daniel decides to move the conversation on.

DANIEL (CONT'D)
So anyway.

PETER
Yes, well I've actually got some photos that I wanted to show you.

Peter takes an envelope out of his inside jacket pocket, and takes out some photos from the envelope.

DANIEL
Right.

(Continued)
Peter starts passing them to him one by one.

PETER
We actually got quite close in the last few months... ended up spending rather a lot of time together.

DANIEL
I see...

Peter passes the first photo.

PETER
That's me and your Dad in Regents park.

Daniel looks at the photos curiously. He's starting to suspect that something's up.

PETER (CONT'D)
That's us on one of those London buses...

Daniel takes the next one, becoming more and more suspicious.

DANIEL
So, where did you and my Dad meet?

PETER
Just around.

INT. LIVING ROOM - BUFFET - DAY

Howard is talking to Jane, who looks like she'd rather be a million miles away. At the same time as he's eating cake, he's also showing her his arm and the discoloured area.

HOWARD
Daniel's uncle says it could be a pigment mutation. I mean, what the hell is a pigment mutation?

Jane is completely disinterested and doesn't answer.

HOWARD (CONT'D)
He said I should see a dermatologist.

Howard takes a curious look at the cake.

HOWARD (CONT'D)
There are no almonds in this cake are there? I'm allergic to almonds.

(CONTINUED)
Jane walks off. Howard sniffs the cake.

INT. STUDY - DAY

Daniel is sitting with Peter. Peter passes him another photo.

PETER
That's one of me and your dad on our way to a fancy dress party in Kensington... That's your dad dressed up as a Roman centurion.

He looks at the photo, becoming increasingly suspicious.

DANIEL
So... in what capacity were you actually friends with my Dad? I mean, I don't want to be... you know... but I don't remember him ever mentioning you, and yet you've got all these pictures where you're going around like...

The penny finally drops. Daniel stands up. He looks disturbed.

DANIEL (CONT'D)
Oh god...

Daniel sits down again and puts his head in his hands for a few moments while he absorbs the facts.

PETER
It must come as a terrible shock to you. I'm sure he would have told you himself, but I guess he wasn't sure how you'd react.

Daniel tries to gather his senses. He has a thought and turns to Peter.

DANIEL
Does my mum know about this?

PETER
No. And really, there's no reason why she should find out, I mean it would only upset her, wouldn't it? So, I want you to know that you've got no worries about me saying anything to anyone about this...

(CONTINUED)
DANIEL

Right.

PETER

Just as long as I get what's owed to me.

A long pause. Daniel looks over at Peter.

DANIEL

What?

PETER

Well, obviously I should get something... I mean, your Dad and I were lovers, and he left me absolutely nothing in his will. How do you think that makes me feel?

Daniel fails to respond, because he's in too much shock.

PETER (CONT'D)

I'll tell you how it makes me feel - Cheap. Like some cheap slut... I mean, don't you think I should be entitled to something?

DANIEL

What do you want?

PETER

I reckon fifteen thousand pounds should do it.

DANIEL

Fifteen thousand pounds?!... I can't give you fifteen thousand pounds- I mean, I'm supposed to be buying a house!

PETER

Well, it's up to you.

DANIEL

Now, hang on a second. You think you can come in here, show me a few photos of you and my dad on a bus and that counts as proof? That's not proof of anything-

Peter shows Daniel a photo.
We don't know what's on it, but we can tell from Daniel's reaction that it represents something in the way of proof.

PETER
Now, I don't want to but I will go, and I'll show these photos to everyone out there... Do you really want me to do that?

Daniel stares at Peter, not knowing what to do or say.

DANIEL
Wait here.

He exits the study.

As Daniel comes through the door, he is suddenly back in the corridor full of people mingling around. He's gone pale.

A MIDDLE AGED MAN approaches Daniel and takes him by the hand.

MIDDLE AGED MAN
Daniel, your father really was such a wonderful man.

DANIEL
I know. Thank you.

MIDDLE AGED MAN
So loyal and trustworthy...

DANIEL
Yes.

Daniel nods and heads on, not looking at all well.

DANIEL (CONT'D)
(to himself)
Oh god, oh god, oh god...

He's looking around for Robert, but there's no sign.

Howard and Justin are standing together drinking tea. Howard's holding a piece of cake.
JUSTIN
This was an absolute waste of time. I don't know why I even bothered... I got dressed up and everything!

Howard's still examining his arm.

JUSTIN (CONT'D)
How can she be more interested in that idiot up there than she is in me?... I'm telling you Howard this world is a severely fucked up place.

HOWARD
It sounds serious doesn't it?

What?

HOWARD
A pigment mutation.

Justin gives Howard a disparaging look. Troy comes along looking a little frantic.

TROY
Guys, you haven't seen a pill bottle around have you? Like a Valium pill bottle?

JUSTIN
No.

Troy heads off. Howard calls after him.

HOWARD
Let me know if you find them, I could do with one.

Troy smiles nervously at him, and goes back to his search.

INT. BACK OF KITCHEN- DAY

Daniel enters the kitchen and sees Robert talking intimately to the attractive girl, KATIE, and looking like he's making good progress. Daniel approaches.

DANIEL
Robert, I need to talk to you.

ROBERT
Not now Daniel.

(CONTINUED)
CONTINUED:

DANIEL
It's important.

ROBERT
Give me five minutes.

Daniel pulls him away. Robert is extremely put out.

INT. MUD ROOM. DAY.
Daniel pulls Robert into the small room and closes the door.

ROBERT
What are you doing? What is it?

Daniel lowers his voice.

DANIEL
That guy that was here before, that we didn't recognize. You know the one?

ROBERT
Yeah.

Daniel lowers his voice further.

DANIEL
Well, I was just with him in the study, and... and he showed me these pictures...

ROBERT
Yeah?

DANIEL
Of him and... Dad.

ROBERT
Right.

DANIEL
With him and Dad... together.

Robert screws up his eyes.

ROBERT
Right.

DANIEL
Pictures of him and Dad together at parties in Kensington.

(CONTINUED)
Robert's face is blank. He's not registering.

ROBERT
Look, is this going anywhere Daniel, because I was actually in the middle of something-

DANIEL
For god's sake Robert, he was shagging Dad!

Daniel immediately realizes he's been too loud. And he tries to get himself back under control. Robert looks disbelieving.

ROBERT
Fuck off... Are you shitting me?

DANIEL
No, I'm not shitting you. I'm telling you. He showed me pictures... god, I feel ill.

ROBERT
So what are you saying that Dad was a gay?

DANIEL
That's what I'm saying.

ROBERT
And he's been cheating on mum?!

DANIEL
Evidently.

ROBERT
Jesus Christ-

DANIEL
Look I know it's a bit of a bombshell, but the concern right now is... he wants money.

ROBERT
What do you mean he wants money?

DANIEL
He wants fifteen thousand pounds.

ROBERT
Well tell him to go and fuck himself-

(Continued)
CONTINUED: (2)

DANIEL
No, you don't understand. He has the pictures... If we don't give it to him, he says he's going to tell everyone here the most intimate details of their sex life.

ROBERT
I don't want to hear the intimate details of Dad's sex life!

DANIEL
Exactly... So what the hell are we gonna do?

ROBERT
Oh shit. Right. OK. Let me think, let me think.

INT. LIVING ROOM - BUFFET - DAY

Howard is still standing with Justin. Justin's looking downhearted. Howard's sniffing his piece of cake.

HOWARD
I'm really not sure about this cake, you know? I think its got almonds in it.

JUSTIN
So?

HOWARD
So?... I'm allergic to almonds...

JUSTIN
Don't have it then.

Howard sniffs the cake.

HOWARD
Will you try it and tell me if it's got almonds in it?

JUSTIN
No.

HOWARD
Oh go on.

JUSTIN
I don't want to.

(CONTINUED)
CONTINUED:

HOWARD
Just do me a favour. Can't you just
do me a favour?—

Howard is pushing the cake towards Justin's mouth.

JUSTIN
Can you please just fuck off?

INT. MUD ROOM - DAY

Robert rubs his hand through his hair desperately trying to come
up with a solution. Daniel's getting impatient.

DANIEL
Well?

ROBERT
OK. Look, I think it's best if you
just pay him the money.

DANIEL
What do you mean you think it's best
if I pay him the money?

ROBERT
I just don't think mum could handle
it.

DANIEL
Let me rephrase the question... What
do you mean, you think it's best if I
pay him the money?

ROBERT
Well you've been living with your Mum
and Dad long enough. You must have
some money saved—

DANIEL
That's the money for the house. I
can't give that away, Jane will
fucking kill me.

ROBERT
Well, I don't really think you've got
any choice.

DANIEL
Look. I've already had to pay for the
entire bloody funeral, including the
caterers that you demanded—

(CONTINUED)
ROBERT
There's nothing wrong with those caterers.

DANIEL
They're bloody expensive.

ROBERT
You can't have shitty catering at your own father's funeral!

Robert stops. He has a thought.

ROBERT (CONT'D)
Wait a second. How do we know this guy's not bullshitting?

Daniel passes Robert the last photo that Peter gave him.

ROBERT (CONT'D)
Oh... my... God.

The Mud room door opens.

SANDRA
There you are.

Robert very quickly puts the photo away. She goes to them and hugs them both.

SANDRA (CONT'D)
My boys... He was so proud of his boys... At least we'll always have our good memories... No one can take those away from us.

Robert gives Daniel a loaded glance. Daniel closes his eyes, knowing that he'll have to give up the money.

INT. LIVING ROOM - DAY

Uncle Alfie is sitting at the side looking distastefully at the food. Jane is doing the rounds and walks up to him.

JANE
Are you OK Uncle Alfie?

UNCLE ALFIE
No, I'm not! The food here is awful! It's worse than the muck they give us in the home!

(CONTINUED)
Jane looks up to see Daniel and Robert in the corridor.

Daniel and Robert are walking.

DANIEL
This is so fucking typical.

ROBERT
What is?

DANIEL
Ever since we were kids, you've acted like you've got no responsibility to anyone. And I'm always the one that's had to shovel up the shit.

The Reverend appears in front of them and stops them.

REVEREND
Ah! I think we're just about ready to resume the service, so-

DANIEL
Would you mind giving us five minutes.

REVEREND
(not happy)
Of course.

DANIEL
Thanks.

As the Reverend leaves, Jane arrives looking curious.

JANE
What's going on?

Daniel takes her off to the side and speaks quietly. Daniel motions to Robert to give him a minute alone. Robert waits out of earshot.

DANIEL
Look honey. I'm really sorry, but I'm afraid our moving out plans are gonna have to be put on hold.

JANE
What are you talking about? Why?
DANIEL
I can't explain right now. You know I wouldn't do this unless I had a bloody good reason.

JANE
What's the reason?

DANIEL
Honestly Jane, I haven't got time right now-

JANE
Now you listen to me Daniel - you're telling me that we're going to have to continue living in this house with your mother, and you're not giving me any explanation why?

Daniel looks at Jane. He lowers his voice.

DANIEL
It turns out that Dad was gay, and I'm being blackmailed by his former lover into giving him £15,000 otherwise he's going to show everyone pictures of them doing... stuff...

Jane looks at Daniel.

JANE
Are you joking?

DANIEL
No, I'm not joking.

Jane is extremely anxious.

JANE
Well why do you have to pay? Why can't Robert pay?

DANIEL
He can't pay, he's got nothing. He can't even afford his share of the funeral.

JANE
But you said-

(CONTINUED)
CONTINUED: (2)

DANIEL
I know what I said... Look, I've gotta go. I'm sorry.

Daniel joins Robert before going into the study.

Jane watches them go, trying to absorb what she's just been told.

JANE
Shit.

INT. BATHROOM - DAY

Simon is sitting on the toilet, looking absolutely fucked. He pulls at the toilet roll, then starts pulling more and more, unraveling the entire roll, and looking like he's having the time of his life.

INT. UPSTAIRS CORRIDOR - DAY

Martha is sitting on the floor of the corridor. Jane comes up and sees her, and just flops down next to her.

JANE
Fucking men.

MARTHA
Tell me about it.

INT. STUDY - DAY

Daniel and Robert enter the study closing the door behind him. Peter is sitting on the couch reading a manuscript. Daniel is appalled.

DANIEL
Er... What the hell are you doing with my manuscript?!

Daniel grabs it out of Peter's hand.

PETER
It was on the desk-

DANIEL
It's not ready to be seen by anyone.

Daniel angrily puts the manuscript away in the drawer.

(CONTINUED)
PETER
Well, you shouldn't leave it lying around if you don't want people to read it.

DANIEL
This is my office!

ROBERT
Guys. Can we get to the point here.

PETER
Fine by me.

Daniel is now extremely grumpy.

DANIEL
(to Peter)
Right. If I write you this cheque, then that's the end of it, yes? You give us the photos, and you stay out of our lives forever. Is that the deal?

PETER
That's the deal.

With a terrible scowl on his face, Daniel sits down at the desk, reluctantly takes out his cheque book.

INT. UPSTAIRS CORRIDOR - DAY

Martha and Jane still sitting next to each other.

JANE
I mean, do you have any idea what it's like to live with your mother in law...picking at everything, making comments about your lifestyle, what time you got in last night, what job you're doing. I've had it for over a year now and it's been a living fucking nightmare... I'm beginning to think that we're never going to get our own place.

MARTHA
So, what are you gonna do?

A long pause.

(CONTINUED)
CONTINUED:

JANE
I just don't know.

INT. STUDY - DAY

Daniel's pen is hovering over the cheque book. Finally, he starts to write the amount on the cheque.

PETER
(to Daniel)
That your first effort is it?

Daniel stops writing and looks up at him.

DANIEL
What?

PETER
The novel... it's a first work, isn't it?

DANIEL
Yeah. So?

PETER
No, nothing.

Daniel goes back to the cheque.

PETER (CONT'D)
I tried writing once... Didn't work for me either... I think it's just a gift, you know?. You either have it or you don't... It must be hard for you though especially trying to live up to your brother's reputation... being overshadowed by a sibling like that. (to Robert)
I read your last novel by the way, it was really good stuff.

ROBERT
Thanks-

DANIEL
Right, that's it.

Suddenly Daniel picks the cheque up off of the desk and tears it into little pieces.

ROBERT
Daniel, what the hell are you doing?

(CONTINUED)
DANIEL
There's no way I'm giving this twat a single penny of my money.

ROBERT
Don't be ridiculous.

DANIEL
No way. Why should I? I mean, he comes in here on the day of our father's funeral, tries to blackmail us and slags off my novel!! Who the hell does he think he is?

ROBERT
He has the photos.

DANIEL
So let him show the photos.

ROBERT
Daniel-

DANIEL
Look, I give up OK? I just can't take anymore. If that's what he's gonna do then lets just get it over with.

There's a long pause as everyone seems to be deciding what to do. Finally, Peter stands up.

PETER
Fine.

Peter stands up and heads towards the door.

ROBERT
What? No, wait.

Robert rushes to stand in front of the door, blocking Peter's exit.

PETER
Get out of my way.

ROBERT
Let's just discuss this a minute.

PETER
There's nothing to discuss.

(CONTINUED)
Peter grabs the door and tries to open it. He tries to push past, but Robert grabs him and wrestles him to the ground. Daniel watches on, absolutely shocked.

DANIEL
Jesus Christ, Robert. What are you doing?
PETER
Get off me!

Robert is trying his best to muffle Peter's screams.

ROBERT
Daniel, give me a bloody hand here, would you?!

Robert is holding Peter down and trying to keep him quiet. The scene is chaos.

PETER
Ah!!

ROBERT
Daniel, get some rope or something.

DANIEL
What do you mean, get some rope?!
There isn't any rope.

ROBERT
Well just grab a piece of cord, or something! There, from the curtains.

Daniel grabs a cord from the curtains and gives it to Robert to tie Peter's hands.

ROBERT (CONT'D)
Right, hold his legs.

Daniel grabs Peter's legs and holds them still.

DANIEL
Jesus, Robert. This is a really bad idea.

EXT. BACK GARDEN - DAY

As Howard walks outside, he sees Sandra sitting by the wall talking quietly with Victor.
Howard feels like he should go up to her, though on the other hand, he really doesn't want to.

Victor sees Howard approaching and wants to avoid him.

VICTOR
(To Sandra)
Shall we go inside?

SANDRA
In a moment.

VICTOR
I'll be right back.

He crosses Howard as Howard arrives in front of Sandra.

HOWARD
Hi there.

SANDRA
Hello.

Howard sits next to Sandra.

HOWARD
I'm sorry... you know... about... you know...

SANDRA
Thank you.

HOWARD
Must be awful losing your husband. So young as well, relatively. Do you think you'll marry again?- Probably too early to tell, isn't it.

Sandra looks at him.

HOWARD (CONT'D)
Terrible isn't it, that people have to die... One guy I knew got stabbed to death... He called this guy's mother a "moose", and the bloke stabbed him in the neck. Hit a major artery. Blood spurting out everywhere... And the ridiculous thing was the guy that did it told the police later that he didn't even know what a moose was.

(CONTINUED)
From Sandra's expression, it doesn't look as though he's helping her much.

\textbf{HOWARD (CONT'D)}
Anyway, I'd better be... Do you happen to know if there are any almonds in the cake?

Sandra turns and looks at him.

\textbf{HOWARD (CONT'D)}
That's fine... Not important.

As he walks away, he notices Troy's pill bottle on the ground. He bends down and picks it up, and puts it in his pocket.

\textbf{INT. STUDY - DAY}

Robert and Daniel are struggling with Peter.

\textbf{PETER}
Get off of me you bastards! What do you think you're gonna do? Keep me quiet forever?

\textbf{ROBERT}
Shut up! Jesus! Daniel throw me that tie.

The room is filled with panic. Daniel throws it over. Robert ties it around Peter's mouth. He's still struggling and managing to make a lot of noise even through the cloth.

Suddenly the door opens and Howard enters.

\textbf{HOWARD}
Ah, Daniel, do you happen to know what was in this cake, I-

It takes Howard a moment to register that Daniel and Robert are sitting on top of Peter.

\textbf{HOWARD (CONT'D)}
What's going on?

\textbf{ROBERT}
Jesus Christ, Howard. Shut the fucking door!

Peter continues screaming through the cloth.

Shocked, Howard does as he's told.

(\textit{CONTINUED})
ROBERT (CONT'D)
(to Peter)
Keep still! Jesus, we need to calm him down... Give me an ashtray or something, I'll knock him out.

DANIEL
What?! You can't do that!

ROBERT
Well we have to do something.

Howard has an idea.

HOWARD
I just found some Valium outside.

ROBERT
Great. Bring them here.

Howard hands Robert the bottle.

ROBERT (CONT'D)
Just pour them in.

Robert holds Peter's mouth open while Howard pours a handful of pills into his mouth, then Robert holds his nose, forcing him to swallow.

Once Peter has swallowed the pills he appears to calm down, more out of exhaustion than anything else. Then, Howard looks at Daniel and Robert.

HOWARD
Now, what in god's name is going on in here? Who is this guy?

Everyone's looking absolutely dazed. Daniel and Robert look like they're about to answer when suddenly the door opens again and Troy walks in.

TROY
Hi there. Have you seen a little brown pill bottle lying around?

Troy stops in his tracks as he sees Peter on the floor.

ROBERT
Jesus Christ Howard, I told you to lock the fucking door!

HOWARD
You said "shut the fucking door."

Robert closes and locks the door. Troy looks shocked.

TROY
What's going on?

They all look at him, and no one really knows what to say.

INT. BATHROOM - DAY

Simon's still in the bathroom. He has taken off most of his clothing by now, and is playing around with the various lotions in the bathroom. He pours some lotion into his hands and wipes it over his face.

INT. STUDY - DAY

There's an awkward atmosphere.

DANIEL
OK, now look. Very briefly, we've got ourselves into a bit of a situation here. Now, this guy is trying to blackmail us which, given the circumstances today, I think is in pretty bloody bad taste!

TROY
Blackmail you over what?

DANIEL
That's not important right now.

TROY
What do you mean, not important?

DANIEL
It's personal, OK?

HOWARD
Has this got anything to do with the orange peel?

Daniel looks somewhat confused at Howard.

TROY
What are you gonna do with him?

Everyone realizes they have no answer to this question.

(CONTINUED)
CONTINUED:

DANIEL

Yes Robert, what are we gonna do with him?

Robert looks like he doesn't have any answers.

ROBERT

Well I don't know.

DANIEL

You don't know?!

ROBERT

Don't shout at me Daniel. I was just dealing with a very tricky situation. If you'd just paid him the money-

DANIEL

But what are we gonna do? I mean we can't keep him tied up here forever. How long do you think those Valium are gonna last?

Troy's ears prick up.

TROY

Valium?

HOWARD

Yeah, I found that bottle of Valium. We gave him a few to calm him down.

Howard hands him the bottle. Troy looks very concerned.

TROY

Oh fuck.

DANIEL

What?

Troy beckons them all over to the corner. Peter looks extremely curious to know what they're talking about.

Everyone talks very quietly so that Peter can't hear.

ROBERT

What is it?

TROY

(lowers his voice)
The thing is...
(MORE)
TROY (CONT'D)
it's not actually Valium. It's a concoction of hallucinogenic substances.

DANIEL
What?!

TROY
Simon took one of these by mistake. That's why he's been acting like he's off his tits...

DANIEL
Oh my god Troy, what the hell are you doing with this stuff?

TROY
They're for a friend.

ROBERT
So, hang on a minute, you're telling us that Martha's boyfriend, who knocked over our father's coffin, had just one of these things...

DANIEL
(to Howard)
And you gave him how many?

Howard looks a bit guilty.

HOWARD
About five.

DANIEL
Oh Howard...

HOWARD
Well I didn't know, did I?! You can't blame me for this. I mean, I come in here and you're on the floor with this bloke, and he's screaming... What the hell do you want from me?

TROY
(looking at Peter)
Poor bastard.

They all turn and look at Peter who is looking back at them, increasingly concerned by whatever conversation they are having, and the pitying expressions on their faces.

(CONTINUED)
CONTINUED: (3)

DANIEL
Maybe we should call an ambulance.

TROY
You can't do that. I'll be screwed.

ROBERT
He's right. They're gonna turn up and find this guy's been force fed with hard drugs. It won't look good.

DANIEL
So what then? I mean, what's gonna happen? Is he gonna die?!

TROY
No... shouldn't think so...

The moment is broken by someone trying the door, followed by a knock. It wakes them all out of their reverie.

INT. CORRIDOR - DAY
Sandra is standing outside with the Reverend.

SANDRA (O.S.)
Daniel? Robert? Are you in there?

INT. STUDY - DAY
They all look at each other in panic.

ROBERT
Oh, Jesus.

DANIEL
(as normal as possible)
Be out in a minute Mum.

INT. CORRIDOR - DAY
Sandra is still outside with the Reverend.

SANDRA
Everyone's wondering where you are.

INT. STUDY - DAY
Robert looks at Howard and Troy.

(CONTINUED)
ROBERT
(to Howard and Troy)
Right. We have to go outside...You two stay in here and look after him.

HOWARD
Look after him?! What the hell are we meant to do?

ROBERT
Just make sure he doesn't escape. Lock the doors behind us.

Daniel and Robert open the study door leaving Howard and Troy looking like they've got no idea what to do. Troy locks the door.

INT. CORRIDOR - DAY

Daniel and Robert come outside trying to look as normal as possible. They see Sandra standing with the Reverend.

DANIEL
How's it going mum?

SANDRA
The Reverend wants to talk with you.

REVEREND
We were wondering if we might be able to resume the service now... Really, I'm only meant to be here until three-

DANIEL
Yeah, great. Can you just give us another five minutes?

The Reverend doesn't look too pleased.

REVEREND
Sure.

DANIEL
Would you excuse us?

Robert and Daniel kiss their mother and walk off hurriedly towards the kitchen.

INT. LIVING ROOM - DAY

Justin sits down next to Uncle Alfie, who turns to look at him.
UNCLE ALFIE
What's your problem?!

JUSTIN
Women are my problem.

UNCLE ALFIE
Let me tell you something about women.
When I was a young man, I used to go
out with the most beautiful woman in
the village. I mean, she would walk
into the room and everyone's eyes
would turn. Everyone wanted to fuck
her. And of course she liked the
attention because, well you know how
it is...

A beat.

UNCLE ALFIE (CONT'D)
So, anyway. We went to some party one
night at the local hall. And there was
this man flirting around with her and
I noticed that she was flirting back.
You know, they were laughing and
joking. And so I asked her to come
outside with me, I wanted to talk with
her. So we went outside and I gave her
the hiding of her life... And let me
tell you, she never disrespected me
again!

Justin stares blankly at Uncle Alfie.

UNCLE ALFIE (CONT'D)
I need to shit.

INT. MUD ROOM - DAY

Daniel and Robert enter and close the door. They speak in hushed
tones.

DANIEL
So... any thoughts?

ROBERT
Yeah, I've got a thought - why didn't
you just pay him the fucking money?
DANIEL
Look, don't make out this is my fault! If you had any money rather than spending it all on shit, then maybe you could have paid him.

ROBERT
If I'd had the money then I would have done.

DANIEL
Yeah... Like you're so worried about your parents, anyway.

ROBERT
(offended)
What the hell does that mean?!

DANIEL
You weren't bothered about leaving me to look after them, while you went off galavanting in New York with your celebrity friends.

ROBERT
You really are unbelievable.

DANIEL
Oh shut up-

ROBERT
You just can't get over it can you? You're burning with jealousy because I got out of here and did what you should have done with your life if only you'd had the balls for it.

DANIEL
Don't be ridiculous.

ROBERT
Look at you. You've spent three years on a novel and you won't even let anyone see it! What are you gonna do? Wait until you're dead and hope you get it published posthumously?

DANIEL
Rather that than be some hack writing pulp crap.
ROBERT
At least my crap gets published.

DANIEL
You really are a pompous arsehole, you know that?

ROBERT
Oh, fuck off.

Robert opens the door to leave and an old man and an old lady, guests at the funeral, stand in the kitchen before them. Robert and Daniel turn on their funeral faces.

ROBERT (CONT'D)
(charming)
Hi, how are you?

OLD MAN
Very sad. Very sad.

INT. BATHROOM - DAY
Simon is now completely naked, still with lotion on his face, and mumbling nonsense to himself.

Then, he has an idea and looks over at the window. He opens the window and starts taking in very deep gulps of air.

INT. UPSTAIRS CORRIDOR - DAY
Martha is still sitting outside the bathroom, not knowing what to do.

Justin comes up again to talk to her. Martha's completely drained and stressed.

MARTHA
What do you want Justin?

JUSTIN
I just want to talk to you.

MARTHA
Look, please don't make us go through this again. It's the same thing every time I see you-

JUSTIN
Well, what is it about this guy? What has he got that I haven't got?
MARTHA
OK, well for one thing he's responsible. He's intelligent. He's thoughtful. He's stable. Is that enough for you?

EXT. ROOF - DAY
Simon is climbing out of the bathroom window onto the roof's ledge, completely naked with lotion on his face.

INT. STUDY - DAY
Howard and Troy are sitting in the study. Howard is flicking through an encyclopedia he's found. He's looking at the discolouration on his arm and comparing it with the picture in the book. Peter is on the floor tied up, breathing heavily and making gurgling sounds.

TROY
I can't believe you gave him five.

Howard looks at Troy incredulous.

HOWARD
Excuse me? Are you trying to say that this was my fault? Weren't you the one that made them, and then put them in a Valium bottle?!

TROY
Even if they were Valium, you shouldn't give him five. Don't you know anything?!

Suddenly there's a knock on the door. Howard and Troy both look absolutely terrified.

UNCLE ALFIE (O.S.)
Hello?!

Neither Howard nor Troy want to speak. They argue in gestures about who should speak. Finally Troy relents.

TROY
Hello?

INT. CORRIDOR - DAY
Uncle Alfie is outside the study banging the door with his cane.
CONTINUED:

UNCLE ALFIE
I need the toilet.

INT. STUDY - DAY

Troy and Howard both look panicked.

HOWARD
Can't you use the one upstairs?

UNCLE ALFIE (O.S.)
I'm in a wheelchair you fucking idiot!
How am I supposed to get up the stairs?!

Howard and Troy look at each other not knowing what to say.

UNCLE ALFIE (O.S.) (CONT'D)
Open the door!

Uncle Alfie starts banging on the door with his cane. Howard turns to Troy.

HOWARD
What are we gonna do?

They look at Peter who's starting to look high as a kite.

TROY
We'll stick him behind the couch.

Troy and Howard pull Peter behind the couch.

Troy stays with him and tries to muffle any sounds that Peter might make while Howard goes to open the door.

HOWARD
Hello?

UNCLE ALFIE
What the hell is wrong with you people... I'm about to shit in my trousers!

INT. LIVING ROOM - DAY

Daniel and Robert are coming out of the kitchen corridor. Jane sees them and comes over to find out what's going on.

JANE
Daniel, what's going on? Have you given this guy the money?
CONTINUED:

DANIEL
Not exactly-

ROBERT
Daniel refused, so now we're completely fucked.

DANIEL
Oh shut up.

JANE
(to Daniel)
What happened?

ROBERT
The guy started slagging off his novel, so he refused to pay.

JANE
(to Daniel)
Slagging off your novel?

Jane looks confused.

JANE (CONT'D)
You let him read your novel?

INT. STUDY BATHROOM - DAY

Howard is helping uncle Alfie onto the toilet. He's pulled down Alfie's trousers but he's having a hard time getting him from the chair to the toilet.

UNCLE ALFIE
Hurry up I tell you.

Howard is struggling to hold Alfie up. He has one hand under his arm, and the other is sort of grasping at his bare behind.

Uncle Alfie sits down on the toilet trapping Howard's hand underneath. Howard is stuck.

HOWARD
Erm... you've just got er...
(calls out to Troy)
Troy, do you think you could give me a hand here?

INT. STUDY - DAY

Troy is keeping watch over Peter, who's looking increasingly strange, and is making some worrying facial expressions.

TROY
I'm not sure I should.

HOWARD (O.S.)

Troy!!!

Troy jumps up and goes to the bathroom to see what's going on.

INT. STUDY BATHROOM - DAY

Troy opens the door and peers in and looks absolutely appalled. Uncle Alfie is sitting on the toilet on top of Howard's arm.

TROY
Jesus Christ Howard!

HOWARD
(desperately to Troy)
Help me!

UNCLE ALFIE
(to Howard)
Get your bloody hand out!

Troy enters the bathroom and tries to help pull Howard's hand out.

INT. STUDY - DAY

With Troy and Howard out of the room, Peter, his hands still tied, struggles to get to his feet.

INT. STUDY BATHROOM - DAY

Troy manages to lift Howard's arm out from under Uncle Alfie, but there's some shit on his hand.

HOWARD
Oh no...

Howard, panicking, rushes to the sink and runs the tap. It comes on full blast causing a splash.

HOWARD (CONT'D)
Oh god, oh god, oh god.

Troy looks at Howard and stares.

TROY
Howard.

What? What is it?

TROY
You've got some of it on your face.

HOWARD
What?!

Howard looks in the mirror.

HOWARD (CONT'D)
Oh Jesus Christ!

UNCLE ALFIE
(shouts)
Will you two get out of here?!

INT. STUDY - DAY

Peter is now up on his feet and running around the study like a rabid animal.

He jumps up on the sofa and loses his balance and lands into the coffee table head first.

He cracks his head on the corner and goes straight down.

He lies on the floor absolutely motionless.

INT. STUDY BATHROOM - DAY

Howard is leaning over the sink.

HOWARD
I'm going to be sick-

TROY
Shh... I heard something.

Howard wipes his face with a towel, then they exit the bathroom, leaving Uncle Alfie in there, and shut the door.
INT. STUDY - DAY

They enter back into the study and see Peter lying on the floor motionless, blood by his head.

TROY
Oh fuck.

They approach him and Troy bends down and feels for a pulse. He looks up at Howard with an expression that tells us all we need to know.

INT. LIVING ROOM - DAY

Daniel, Robert and Jane are standing talking about what's been happening.

JANE
Look, I have a right to know what's going on Daniel.

DANIEL
I know you do, and I'll explain everything. But just let me deal with this now.

The door of the study opens and Howard looks around before he walks through, a maniacal false grin planted on his face, which the mourners find strange, especially as he's pouring with sweat.

Howard arrives at where Daniel is still arguing with Robert and Jane. They all notice the strange, nervous grin plastered on Howard's face. Daniel takes a step towards Howard.

DANIEL (CONT'D)
Howard, what the hell are you grinning at?

HOWARD
(to Daniel and Robert)
Could I just ask you to pop to the study for a second?

Daniel can see from Howard's face and the sweat on his forehead that something serious has happened.

DANIEL
(to Jane)
Honey, I need you to look after things out here, OK?

(CONTINUED)
Jane realizes that Daniel is being serious.

JANE

OK.

Howard returns to the study followed by Daniel and Robert. Jane watches them go, not really sure what's going on.

INT. STUDY - DAY

Daniel, Howard and Robert head back into the study where Troy is sitting with his head in his hands, and Peter's body lies on the floor.

Howard locks the door behind them. Daniel and Robert look at the body in shock.

DANIEL

Oh Christ! Call an ambulance.

TROY

There's no point.

DANIEL

What do you mean there's no point?!

TROY

Look at him! He's stone dead!

ROBERT

Good god! What the hell did you do to him?

HOWARD

We didn't do anything!

TROY

He hit his head on the corner.

Robert looks at them, disbelieving.

ROBERT

He hit his head on the corner?

HOWARD

Yes. That's what happened. What the hell do you think happened?

DANIEL

Oh no. This is really bad. This is really, really bad.
Daniel slumps down into a chair, thoroughly depressed.

ROBERT
So what is this then? Is it murder? Suicide? Manslaughter? I mean, how does this work?

HOWARD
Maybe it's death by misadventure.

DANIEL
Death by misadventure? Yeah, of course. The police are going to find this body pumped full of hallucinogenic drugs, with cord marks around his wrists and call it death by misadventure!

TROY
What are we gonna do?

Everyone thinks. Howard looks at his watch.

HOWARD
Do you know what, I actually really have to get going-

Howard starts making his way to the door. Robert stops him.

ROBERT
You're not going anywhere.

HOWARD
Look, I cannot go to prison OK?! Do you have any idea what they do to people like me in prison?!

ROBERT
We're in this together Howard. Now just calm down...

Robert takes a moment before speaking.

ROBERT (CONT'D)
Now, no one here knows who this guy is, right? As far as they're concerned he's a stranger who turned up at the funeral and left some time later. Nobody even knows his name...

DANIEL
So?

(CONTINUED)
ROBERT
So we'll just get rid of the body and it'll be like he was never here...

HOWARD
Get rid of the body?!

ROBERT
That's right... We'll just get rid of the body.

HOWARD
What the hell do any of us know about getting rid of a body? What are we gonna do with him? Put him out with the rubbish?

TROY
Did any of you happen to notice the size of Uncle Sidney's coffin.

Everyone looks at Troy.

DANIEL
(to Troy)
You want to bury him with my father?

TROY
Why not?... I mean it's not like he's gonna know, is he?

DANIEL
That's not the point.

ROBERT
You have to admit, it makes sense Daniel. The coffin's there, the hole in the ground's there... He'll be gone, finished, end of story... Unless you've got a better suggestion.

Daniel turns and looks at the wall, desperately trying to think of an alternative. Finally, he turns around.

DANIEL
How are we gonna get him out there?

EXT. ROOF - DAY

Simon stands on the ledge next to the windows looking over the world, having a thoroughly wonderful time.
INT. UPSTAIRS CORRIDOR - DAY

Justin is talking to Martha. They're sitting in the corridor. Martha looks drained of energy.

Justin's smoking a cigarette.

JUSTIN
It's funny, you know. No matter how many times you told me that things were over, I was always convinced that we'd end up back together.

MARTHA
Yeah, well, we all make mistakes... I was convinced I was gonna be a world famous ballet dancer. What happened there?

JUSTIN
You still could be.

MARTHA
Don't be an idiot.

JUSTIN
I'm serious... You only live once. You might as well do whatever it is that fires you up the most.

MARTHA
Yes, but maybe I don't think of life anymore as just being about me, me, me... Maybe I've discovered there's something outside of myself that I care about. And maybe you should too.

Justin looks defensive.

JUSTIN
That's a bit harsh. I care about you.

MARTHA
No Justin, you care about you. And you care about me in relation to how I effect you. There's a difference.

JUSTIN
That's not true Martha, I... I love you.
Justin instinctively grabs Martha and lunges into a kiss. As he does he sees out of the corner of his eye the shocking sight of Simon completely naked crouching by the window.

JUSTIN (CONT'D)
Jesus fucking Christ!

Martha makes eye contact with Simon. He looks distraught, before disappearing from the window.

MARTHA
Oh shit.

Martha stands up.

MARTHA (CONT'D)
Simon?

Simon disappears from the window.

MARTHA (CONT'D)
Simon?!

EXT. ROOF - DAY
Simon is still on the ledge, but pacing around, not knowing what to do with himself.

EXT. LEDGE - DAY
Martha opens the window. She leans over and is shocked to see Simon on the ledge.

MARTHA
Simon, what the hell are you doing? Get back in here and put your clothes on this instant!

SIMON
I saw you kissing him.

MARTHA
I wasn't kissing him.

SIMON
Don't lie to me Martha. I'll jump. I swear I'll jump. Right now.

Justin pokes his head through the same window as Martha to see what's going on.

(CONTINUED)
MARTHA
Justin, will you get the fuck out of here!

Justin does as he's told.

INT. UPSTAIRS CORRIDOR - DAY
Justin lingers in the upstairs corridor for a moment not sure what to do. Then he sprints off downstairs.

INT. STUDY - DAY
Robert, Daniel, Troy and Howard are still in the study standing over the body, trying to work out what to do.

HOWARD
There's just no way we can do it. It's impossible.

Suddenly there's a knock on the door. Everyone freezes.

JUSTIN (O.S.)
Daniel, it's Justin. Let me in.

Everyone freezes.

INT. CORRIDOR - DAY
Justin knocks again louder.

INT. STUDY - DAY
Everyone looks panicked.

ROBERT
Shit. Quick. Stick him in the bathroom.

Everyone enters a panic. Daniel opens the bathroom door, and Robert, Howard and Troy pull the body into the bathroom.

INT. STUDY BATHROOM - DAY
It's not until they get in there that they see Uncle Alfie still sitting on the toilet.

(CONTINUED)
Uncle Alfie looks up to see them all burst in carrying Peter's body.

Their faces all show their panic. Alfie stares in shock horror.

They immediate leave the bathroom with the body and shut the door after him.

INT. STUDY - DAY

We can hear muffled shouting coming from Alfie from behind the bathroom door.

DANIEL
Jesus Christ Howard!! What's Uncle Alfie doing on the toilet?

HOWARD
I forgot!

DANIEL
How could you forget?! What the hell is wrong with you?!

HOWARD
Well, we had more pressing matters to deal with, like this dead man on the floor here.

Another loud bang on the door.

JUSTIN (O.S.)
Daniel, open the bloody door.

INT. STUDY / CORRIDOR - DAY

Daniel opens the door an inch.

DANIEL
What is it?

JUSTIN
It's Simon, he's just totally fucking lost it, he-

Justin realizes that something weird's going on.

JUSTIN (CONT'D)
What's going on?

DANIEL
Nothing.
Justin puts aside his curiosity for the time being.

JUSTIN
Look, Simon's on the roof totally starkers. He saw me kissing Martha and now he's threatening to jump!

TROY
Oh Christ.

Troy rushes to the door.

ROBERT
Where are you going?

TROY
I have to go out there. If he jumps, I'm fucked.

DANIEL
(to Robert and Howard)
Wait here.

Troy rushes out followed by Daniel. They head to the garden along with Justin.

EXT. BACK GARDEN – DAY

Everyone is looking up at the naked man standing on the edge of the roof.

A man turns to Victor whose attention has been caught.

MAN
Who is that naked man on the roof?

Victor looks up, agog.

VICTOR
That's my daughter's fiance.

Martha's head can be seen hanging out the bedroom window.

INT. LIVING ROOM – DAY

Troy and Justin rush out the back door into the garden.

Daniel stops as he realizes the living room is completely empty, bar the coffin. He exits exterior back garden.
EXT. BACK GARDEN - DAY

Daniel takes a few steps out and sees that the whole congregation are outside and Simon is on the roof.

He heads back inside.

EXT. ROOF - DAY

Simon is standing perilously near the edge of the roof.

MARTHA
Simon. Why don't you come inside and we'll talk about it there.

SIMON
No!

MARTHA
Fine. Then just come away from the edge.

SIMON
No I won't.

MARTHA
Right... Well then I'm coming out.

From down below, the mourners are stunned by what they see.

INT. STUDY - DAY

Daniel rushes back inside, panting, where Robert and Howard are still standing with the body.

ROBERT
What's happening?

DANIEL
Everyone's out in the garden... We've gotta move the body now.

ROBERT
Brilliant!

EXT. GARDEN - DAY

Sandra is out in the garden also looking up at the roof, along with Jane.

Martha is now climbing out from the window onto the roof. The whole thing looks very precarious.

(CONTINUED)
CONTINUED:

Everyone's watching this scene of Simon and Martha balancing on the roof. Martha holds out her hand to Simon.

VICTOR
(shouts up)
Martha, what the hell are you doing?!
Get down from there.

INT. CORRIDOR - DAY

Daniel and Robert come out of the study carrying Peter with Howard behind them.

ROBERT
(to Howard)
Wait here. Make sure no one comes in.

Howard nods. As Daniel and Robert disappear into the living room, Howard is horrified to see the Reverend coming through the front door walking towards the living room entrance.

HOWARD
(to Reverend)
Hi!

The Reverend looks around not knowing why Howard is being so especially friendly towards him.

INT. LIVING ROOM - DAY

Robert and Daniel hurry across the living room carrying Peter. They get to the coffin and Robert opens it up.

There's an intense moment as they look down at their father in the coffin. They both stop for a moment, speechless.

INT. CORRIDOR - DAY

Howard is standing, blocking the Reverend searching his mind for conversation.

HOWARD
So... God eh?... He's a funny one isn't he?

REVEREND
Excuse me?

INT. LIVING ROOM - DAY

Robert and Daniel are still staring at the body.

(Continued)
ROBERT
Daniel, we have to do this.

Daniel looks up at Robert and nods his assent.

Robert and Daniel lift up Peter and try their best to put him in the coffin, facing up on top of their father.

Daniel looks at it and decides that it's just wrong.

DANIEL
We can't leave it like that.

ROBERT
We don't have time.

They try another possibility, turning the body in a different direction. Daniel shakes his head.

EXT. ROOF - DAY

Martha edges towards Simon, concentrating hard to maintain her balance. Simon is starting to get cold.

MARTHA
Right. Listen to me Simon. If you don't come away from the edge of that roof, I am going to get extremely upset.

SIMON
Good.

MARTHA
Simon... Please don't do this... I love you.

SIMON
Then why were you with him?

MARTHA
I wasn't with him.

SIMON
Yes you were! I saw you!

INT. CORRIDOR - DAY

Howard is doing his best to keep the Reverend at bay.
120 CONTINUED:

HOWARD
So how did you get into the whole
religion lark?

REVEREND
Look, I'm sorry, I really need to get
on-

HOWARD
I'd like to make a confession.

The Reverend looks at Howard.

HOWARD (CONT'D)
(thinking on his feet)
I have thoughts... dirty thoughts...

121 INT. LIVING ROOM - DAY

Daniel and Robert are still struggling to squeeze Peter into the coffin.

ROBERT
You know, in a strange way maybe this
is what Dad would have wanted?

DANIEL
For God's sake Robert. Can you not
take anything seriously?

ROBERT
Why do you say I don't take anything
seriously?

DANIEL
I'll tell you why... Because you
disappear half way across the world
without hardly ever coming back to see
your parents. Because you spent your
last remaining money on a first class
plane ticket when you knew you were
supposed to give me half for the
funeral. Because you ride through life
like you're on a fairground ride...
And because you've never, ever, given
a shit about anyone except yourself.

Robert looks miffed. Daniel gets back to trying to fit Peter in the coffin.
EXT. ROOF - DAY

Simon is stepping away from Martha. The crowd are getting increasingly anxious.

SIMON
I'll never be good enough. Not for your Dad and not for you. I'll never be rich enough, I'll never be cool enough-

MARTHA
Simon, please stop talking this nonsense and just come inside... We're going to have a baby.

Simon looks at her, shocked.

SIMON
What?

MARTHA
I'm pregnant. We're going to have a child together...

SIMON
You're pregnant?

Simon is overcome with emotion. She holds out her hand to him.

MARTHA
I won't be able to do it without you.

Very slowly he walks towards her and enters her embrace.

General approval noises come from the crowd.

VICTOR
Jesus.

Victor angrily heads inside.

INT. LIVING ROOM - DAY

Finally Robert and Daniel swivel the body round so that Peter is also facing upward tops and tails to their father. It seems to work best.

They both look down at their father one last time. Daniel takes a moment to touch his father's hand.
CONTINUED:

DANIEL

Bye Dad.

Finally, they shut the coffin a moment before Victor enters the living room through the conservatory back door.

Robert and Daniel try to look as innocent as possible.

INT. CORRIDOR - DAY

Howard is still talking to the Reverend who's looking like he really doesn't want to be there.

HOWARD

But I mean, three maybe four times a night sometimes.

Howard sees out of the corner of his eye that the coffin is shut. His job is done.

HOWARD (CONT'D)

So, anyway, thanks for that. I feel much better.

Howard walks into the living room leaving the Reverend looking miffed.

INT. UPSTAIRS CORRIDOR/ BATHROOM - DAY

Victor arrives up the stairs to see Martha with Simon, wrapping a blanket around him. Victor walks up to her.

VICTOR

(to Martha)
Thank god you're safe.
(to Simon)
You idiot! What the hell were you thinking?

MARTHA

Look, Dad-

VICTOR

Please Martha, tell me you're not going to marry this man-

MARTHA

No Dad, I won't. This is my life, and this is my choice, and I'm sorry if you don't like it, but that's just tough... And I'll tell you something else.

(MORE)

(CONTINUED)
MARTHA (CONT'D)
You really need to sort out your attitude unless you want to end up a very lonely, bitter old man.

Martha heads off with Simon, leaving Victor thoroughly told off.

INT. LIVING ROOM - BUFFET - DAY

Howard, Daniel and Robert are standing in the living room, looking utterly exhausted, as the rest of the guests are trawling back in from the garden. Daniel sees Sandra and walks towards her leaving Robert with Howard.

ROBERT
Well, that was a close one. I thought we weren't gonna get away with that for a minute.

HOWARD
(whispering)
Get away with it?! We've just killed someone! We've committed a mortal sin!

ROBERT
Right. Well, strictly speaking, we didn't kill him... And also, he really wasn't a nice guy, so... The world's probably a better place without him.

Robert pats Howard on the back, then heads off leaving Howard looking thoughtful.

EXT. LIVING ROOM - DAY

Daniel arrives where Sandra is standing.

DANIEL
How are you doing Mum?

SANDRA
Better now that boy's safely off the roof. I think there's been enough death in this house for one day...

DANIEL
Yeah.

A beat.

SANDRA
Have you seen Uncle Alfie? He seems to have disappeared.

(CONTINUED)
Daniel suddenly remembers where he is.

DANIEL
Oh, shit.

INT. LIVING ROOM - DAY

Howard is standing looking extremely thoughtful. An old lady comes up and stands near him.

HOWARD
What's it all about eh?

OLD LADY
Excuse me?

HOWARD
I mean, we find ourselves on this random planet in the middle of infinite space, we live for a few years searching desperately for some kind of meaning to our futile existence, and then in the end we die of horrible diseases and get eaten by maggots and rats... I mean what's the bloody point?

INT. STUDY - DAY

Daniel and Robert enter the study and head towards the closed bathroom door.

Daniel takes a deep breath and goes to open the bathroom door. Uncle Alfie is sitting on the toilet.

UNCLE ALFIE
What the hell is going on in this place?

DANIEL
I'm so sorry Uncle Alfie. There was a whole business going on outside-

UNCLE ALFIE
Never mind that. What about that dead body you dragged in here?!

Daniel and Robert feign ignorance.

DANIEL
What dead body?
INT. LIVING ROOM - DAY

Martha enters the room with Simon, now dressed again, but still looking a bit wired.

Justin walks over and joins Howard.

JUSTIN
Did you hear that? She's having a kid!
I'd never have done anything if I'd known she was having a kid.

HOWARD
I thought you were hopelessly in love with her.

JUSTIN
Yeah, but can you imagine me bringing up a kid?

HOWARD
No.

JUSTIN
Exactly.

Justin looks at Howard who's looking sort of distant.

JUSTIN (CONT'D)
How's your pigment mutation thing?

HOWARD
Oh that... It's probably nothing.

Justin's taken aback by Howard's uncharacteristic attitude.

HOWARD (CONT'D)
I'm more worried about having told the priest I'm a wank addict.

Justin looks at him quizzically.

ANGLE ON:

Robert is wheeling Uncle Alfie into the room.
UNCLE ALFIE
I’m telling you I saw the guy. He was dead!

ROBERT
I know you did Alfie. We all did.

UNCLE ALFIE
No! In the bathroom.

Robert offers a look to the other mourners indicating that Uncle Alfie’s a bit mad and shouldn’t be listened to.

ANGLE ON:

Jane comes over to Daniel

JANE
OK, listen. I’ve been thinking about it, and... if you want to stay here with your mum a bit longer then I’ll do it. But six months, and then we’re gone.

Daniel touched by the sentiment pulls her into an embrace.

DANIEL
Thank you.

They pull away.

DANIEL (CONT’D)
I don’t know how I’m gonna do this bloody eulogy now, what with everything I’ve just found out.

A beat.

JANE
He was still your Dad...

Daniel nods. Reverend approaches Daniel looking at his watch and appearing flustered.

REVEREND
Right. We’re really gonna have to whiz through this now.

DANIEL
Sure. Let’s go.

(CONTINUED)
REVEREND
Do you want to have the casket opened for people to have a final look at the deceased -

DANIEL
No!

The Reverend looks shocked at Daniel's over reaction, but ignores it and stands up at the front and speaks at high speed.

REVEREND
Well, I'd like to apologize on behalf of the family for all of the distractions. I hope that everyone is settled and ready to continue with the service, and Daniel would like to say a few words about his father.

Everyone takes their seats. Robert manages to squeeze in next to Katie.

Jane gives Daniel an encouraging look as he makes his way to the front. The entire congregation has settled and are staring up at Daniel attentively.

Daniel clears his throat and prepares to begin. The room is absolutely silent. He takes a deep breath and begins.

DANIEL
My father... was an exceptional-

BANG! BANG! BANG!

Everyone looks to the front as, suddenly, a loud banging emanates from the coffin.

Everyone stares at it in stunned silence.

Daniel looks like a deer caught in headlights.

He looks at Robert who gestures to him to continue. He nervously struggles on.

DANIEL (CONT'D)
My father was an exceptional man.

BANG! BANG! BANG!

Everyone stares at the coffin in awe. Daniel bravely continues.
DANIEL (CONT'D)
Not only did he live for his family,
but he was always there for others-

BANG!  BANG!

VICTOR
What the hell is going on?

MOURNER 1
There's someone in there!

SIMON
I knew it!

Suddenly the coffin lid flips off and everyone stares in wonder
as Peter sits up, looking like the most fucked person in the
world, and babbling incoherently.

Several people scream.

Everyone looks completely stunned.

ROBERT
What the hell are you doing in my
Dad's coffin?

Peter babbles incoherent nonsense.

ROBERT (CONT'D)
Oh Jesus. Howard give me a hand here.

Howard steps forward with Troy.

HOWARD
(whispered)
You said he was dead!

TROY
Well, I guess I was wrong.

Robert, Howard, Troy and a couple of others try to lift Peter
out of the coffin. But he's holding onto the corpse.

PETER
No!  No!

As they finally pull him out, the various photographs falls to
the floor, right in front of where Sandra is sitting.

Howard and Troy manage to pull Peter off to one side.

(CONTINUED)
Sandra bends down and picks up one of the photographs and stares at it.

Her face turns to horror as she makes out the image.

The rancour in the room is broken by Sandra's howling cry. Victor comes over and takes the photo from Sandra's hand.

**VICTOR**

Oh my good god!

Everyone stops what they're doing and look back at Victor and Sandra in silence. Sandra looks shell shocked.

Everything looks like it's going to descend into total chaos until Daniel finally shouts across the room.

**DANIEL**

**MY FATHER WAS AN EXCEPTIONAL MAN!!!**

Everyone, including Peter, looks at Daniel, stunned. There's a long silence.

**DANIEL (CONT'D)**

He may not have been a perfect man... But he was a good man. And he loved us. And all I wanted to do today was to give him a dignified send off... To give him the respect that he deserved... Is that really so much to ask?

The mourners look up at Daniel with undivided attention.

**DANIEL (CONT'D)**

So maybe he had some... things he liked to do... Life isn't simple... It's complicated. We're just thrown here together, in a world filled with chaos and confusion, a world full of questions with no answers, with death always lingering around the corner... And we do our best, god damn it... We can only do our best... And Dad did his best...

Daniel looks over at the coffin. We see that Peter is moved by the speech.
DANIEL (CONT'D)
He always tried to teach me that you have to go for what you want in life, because you never know how long you're going to be here... And whether you succeed... or you fail... the important thing is to have tried...
But a parent can only guide you in the right direction... In the end, you have to learn for yourself. You have to grow up yourself.

A beat. Jane looks up at her husband with pride. We see the various other mourners looking at Daniel and listening.

DANIEL (CONT'D)
So when you all leave here today, I want you to remember Dad for who he really was... A decent, loving man... who never judged others for their flaws... who never condemned anyone for how they chose to live their own lives... who never cast aspersions or held prejudices, or looked down his nose at others... If only we could all be as giving, and as generous and as understanding as my father was... then the world would be a far better place.

Daniel turns and walks out of the room. Everyone watches him go.

FADE OUT:

FADE IN:

INT. LIVING ROOM - LATER - EVENING

Daniel is sitting on one of the chairs, looking drained. Robert comes in looking like he's had some time to recover. He walks over and takes a seat next to his brother.

DANIEL
...How’s mum doing?

ROBERT
She'll survive... And on the positive side, now she knows why Dad didn't want to have sex for the last twenty odd years.

A beat.
ROBERT (CONT'D)
I'm going to take her to New York with me. She'll be better off there for a while I think... Give you and Jane a chance to breathe a bit, you know. Get your house and everything.

Daniel looks at Robert, surprised.

DANIEL
Wow...

ROBERT
That was a pretty good speech you gave there by the way. It was really... impressive.

DANIEL
Thanks.

A silent pause.

Robert looks slightly awkward. Daniel shifts in his seat.

DANIEL (CONT'D)
Maybe, when you've got some time, you wouldn't mind taking a look at my novel.

A beat.

ROBERT
...I'd love to.

There's a moment between them. They both smile. It looks like they might almost go in for a hug, when Jane enters the room and breaks up the moment.

DANIEL
Hey. How are you feeling?

JANE
Exhausted. Uncle Alfie's in a right state... Keeps going on about the dead body in the bathroom. I think it's best if he stays here tonight.

DANIEL
Do you think he'll be OK?

(CONTINUED)
JANE
Yeah, he'll be alright... I gave him a
couple of Valium and put him to bed.
That should keep him quiet for a
while.

Jane exits the room. Daniel and Robert look at each other.

CUT TO BLACK:

THE END
